**THE INTERLINK PROJECT UNITES GENERATIONS THROUGH SONG**

**JOINING YOUNG AND OLD FOR BEAUTIFUL MUSIC**

In October, the area's only INTERLINK program will begin creating those special, long lasting relationships between Portland seniors and Rideau Centennial Students.

Project INTERLINK is a unique intergenerational program that brings together children and senior citizens through music and verse. While music is the vehicle, the real heart of Interlink is the relationships that are formed through the exchange of Christmas cards, Valentines and group pen pal letters. Last year's trial run proved to be very successful and gratifying for all involved and we hope that the 1992 edition will exceed all expectations.

Over the next several months, the choirs will be busy developing their friendships along with rehearsing for their public performances in May of 1992. While the 26 students of Mrs. Long's grade 3/4 class have already begun to practice, the first rehearsal for seniors will be on Friday, October 4th, at 2:00 p.m. at Mill Bay Court, Portland. So, if you are a senior who likes to sing, enjoys 9 and 10 year old children and can give 1 hour per week for singing rehearsal, INTERLINK is for you!

Again this year, the INTERLINK project is made possible through the support of the Leeds-Grenville County Board of Education, the Canadian Mental Health Association and Branch # 231 of the Royal Canadian Legion at Portland. The project will be under the musical direction of William Morris.

2. "Mission Statement for the Leeds-Grenville County Board of Education"  
Our mission is to instill the principles of fairness, integrity, honesty and a sincere appreciation of human dignity. We will offer all students the opportunities and experiences to reach their highest level of achievement.
3. "One of 40"  
Leeds-Grenville has always been recognized for the high quality of education provided to the students. Frequently, this recognition comes to us from outside our area, as much as within. At Rideau Centennial, we are pleased to be included in the most recent Director's report as one of the 40 best in the county. We attribute our success to the interest and support we receive from you, our community, and to the positive attitude you exhibit as we continue to work together.
4. "An Extra Special Thanks"  
During the summer months, Mr. Burchill spent a lot of time and effort in preparing the school and the new portable classroom for school commencement. Several extra hours were needed to meet the deadline for the opening of our portable. For all of your hard work, Thank You and Well Done, Don.
5. "Hot Lunches"  
Again this year, we are pleased to offer hot lunches every Friday. The Friday menu will alternate between pizza and hot dogs which is in addition to the daily milk, juice boxes, peanuts and raisins. If you are interested in volunteering to help with the Friday lunches, please contact Mrs. Brunet.
6. "School Clothing"  
During the week of September 9-13, Mr. Morris and Mrs. Tedford have been busy measuring and sizing our students for new school clothing. The 50/50 cotton/polyester garments are being ordered from Heritage ScreenCraft of Kingston. T-Shirts, sweatshirts, hooded sweats, track pants, jammer shorts and football jersey shirts will be done in royal blue and white.
7. "Interlink"  
Once again, Mrs. Long's grade 3/4 class and a local group of senior citizens will be taking part in an intergenerational choir under the direction of Mr. Morris. Our students have already begun to practice their vast selection of timeless favorites.
