Recreation Committee are all unpaid volunteers who work hard for Newboro and donations to area groups - hockey, figure skating, soccer, ball etc. This Committee takes care of the Community Hall and appreciates Burt Mattice who is always willing to help out with heating problems when called.

The group depends on your support at any function they sponsor. At the Annual Dinner in December the volunteers were thanked for their efforts. A sometimes thankless job, without their work - running the ball park, fund raising functions and improvements at the Community Hall - many things would not be done. Volunteers are the backbone of the community.

Welcome - Mr. and Mrs. Beumer, Main Street, Nancy Austin, Stevens Street and any other recent newcomers. Jean Monck on the mend after heart surgery. Recreation Committee have a dance planned for March 28. Proceeds for playground equipment.

**\*\*DELTA COMMUNITY CHRISTMAS COMMITTEE\*\***

Thanks to the numerous donations of time, materials and finances, the streets of Delta took on the festive look again this year.

The community projects were co-ordinated by a committee of four: Chairperson Marlene Stearry; Secretary Heather Halladay; Treasurer William Morris and Dennis Halladay. But if it were not for the people of the surrounding area, many of the festive decorations would not have been possible. The very idea and the determination to see the completion of the projects is evidence enough that the true spirit of Christmas lives always in the hearts of Delta and area citizens.

On Saturday, November 09th., volunteers braved the cool weather and winds to decorate the utility poles within the Village with 22 five foot metal Christmas trees bells, bows, stars, candy canes and candles covered in colourful foil garland.

While last year we had 15 ornaments, this year we were able to add 7 more to our display. The committee would like to thank Bill Stearry for all of his efforts in designing and constructing the decorations, Keith Smith-Marlene Stearry-Heather Halladay for painting the decorations, Wm Morris-Heather Halladay-Marlene Stearry for decorating the metal frames and to the following for their work in erecting the decorations: Gene York, Bill Stearry, Bruce Steacy, Keith Smith, Victor Raison, Chris Patterson, Victor Sidlauskas, Doug Pratt, Dave Thomas, Dennis Halladay, William Morris and Steven Halladay. A vote of thanks should also go to Delta Contracting for the use of their back-hoe equipment. Special thanks to Ontario Hydro for their continued support of our project:the co-operation is greatly appreciated!

On November 17th., spirits ran high as children of all ages gathered for an old fashioned tree trimming ceremony. While enjoy Christmas carols, the local residents enjoyed decking the tree with 1,000 shinning lights.

The committee would like to thank Betty Penstone & Gary Raison for the donation of lights for the tree; Bill and Milford Stearry for the donations of timers for the tree lights and to Bud Donald & Bastard /Burgess Council for the use of park facilities and hydro. A special vote of thanks to Ron Morris for providing the music system for the carols.

Following the tree trimming, participants remained for hot chocolate courtesy of Linda Smith while the committee furnished the hot dogs. A vote of thanks to Linda Gifford, Thressa Findlay, Marlene Stearry and Wm. Morris for being the chefs.

Of course, it would be inappropriate not to mention those who have made financial contributions to the decorating fund. Without such great support, additional decorations would not have been possible. Hats off to the following: Bruce Cooper, B & SB Recreation Committee, Delta Maple Syrup Festival, Wm. Morris, W.R.McRae Wholesalers, Ford Tiley, T. Fuches, Ladies Aux. of Delta Firemen's Assoc., Ruth Griffiths, Allan & Barbara Gifford, Doug & Bev Eyre, Gord French, Paul Peters, Lorna Pearson, Nellie Carbino, David and Kaye Dean, Beverley Senior Citizens, Ed Gravelle, Lorna Henderson, Mrs. S. Klaas, Sharon Healey, Iva Teeple, Eileen Halladay, Royal Can. Legion Ladies Aux.#207, Delta Fair Board, Ethel Watts, Craig Gifford and Andrew Trist.

Thank you to Millard Goodsell and Mert Candy for donating prizes for our raffles.

Once again, **THANK YOU** for your help in 1991.

Best wishes from  
Marlene, Heather, William & Dennis.
