The North Leeds Lantern

The North Leeds Lantern is a monthly community newspaper, distributed free of charge to all households in the Township of Bastard & S. Burgess, Rear of Leeds & Lansdowne, South Crosby and the Village of Newboro. The aim of the Lantern is to provide a monthly newspaper of interest to the residents of the areas it serves. News from Councils, local organizations and the public is published as space permits and under the guidelines set down by the Board of Directors. The Lantern also hopes to provide a forum for local concerns and invites articles or letters from the general public. All items submitted MUST be signed for publication.
