**PLEASE NOTE
THE LANTERN IS NOT BASED IN
ELGIN LIBRARY**

It is put together throughout the month in my home in Portland. PLEASE do not ask or demand that the librarians accept your material. This also applies to other members of our group who are scattered around North Leeds and only meet to lay out the paper. They have all been subjected to marked rudeness on occasions and this is not the way to treat hardworking volunteers. Material may be delivered to me or to

Box 267, Portland, KOG IVO on or preferably BEFORE deadline date. You may hear of a few blessed advertizers who, by special arrangement deliver their ads. ready to print, late, but in time for layout.

Unfortunately several articles and reports arrived too late to be included in this issue.

For those of you who find it hard to ask for me on the telephone I should tell you that my first name Brys is something for which I have never forgiven my parents. I am Mrs. S.S. (Limmy) Scovil.

The North Leeds Lantern is a monthly Community Newspaper, distributed free of charge to all households in the Townships of Bastard & S. Burgess, Rear of Leeds & Lansdowne, South Crosby and the Village of Newboro. Funding is provided through advertising revenue, which pays for the cost of production while the above named Township Councils contribute towards the mailing costs. Subscriptions are available to those residing outside of those areas named, at a cost of \$7.50 Canadian residents and \$10.00 U. S. mailings. Circulation averages 2,800/month.

The aim of the Lantern is to provide a monthly newspaper of interest to the residents of the areas it serves. News from Councils, local organizations and the public is published as space permits and under the guidelines set down by the Board of Directors. The Lantern also hopes to provide a forum for local concerns and invites articles or letters from the general public. All items submitted MUST be signed for publication.

DEADLINE Lantern goes to press the last Tuesday of each month. Material must be submitted NO LATER than the Wednesday prior to press date. **ADVERTISING SPACE MUST BE BOOKED BEFORE THAT DEADLINE DATE.**

ADVERTISING CONTENT: The Lantern staff prepare ads for print, however the content of the ad is the responsibility of the advertiser. False or misleading advertising should be brought to the attention of the advertiser in question.
