The April meeting will be held at the home of Darlene Lake.

SETTING SAILS

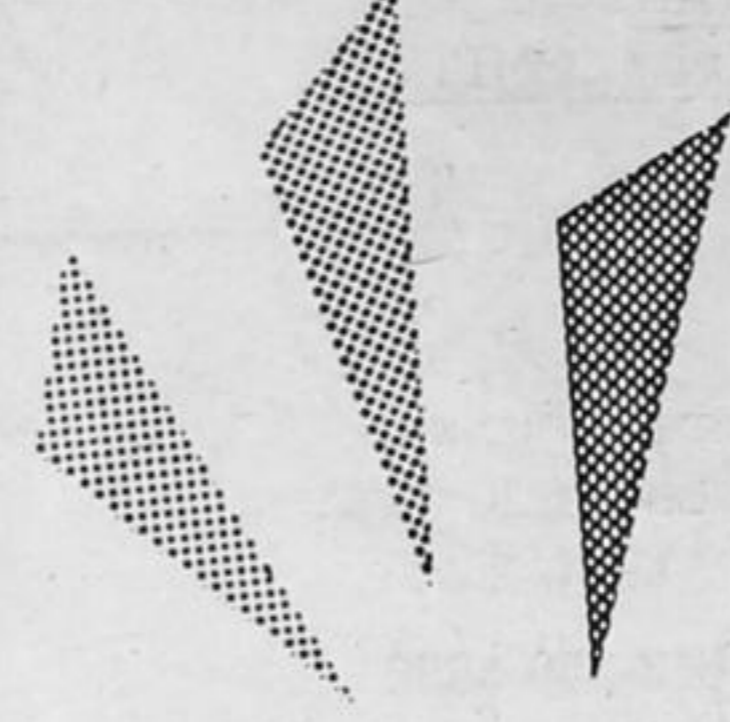

All preparations for the launching of this exciting and challenging Christian Renewal Program with Bishop Desmond Hunt have been completed and "sails will be set" at 7:30 p.m. on Sunday, April 10th in the Parish Hall behind St. Luke's Anglican Church in Lyndhurst! The journey in faith will continue on Monday, Tuesday and Wednesday evenings at the same time and promises to be a major event in the life of our community.

The general theme of Bishop Hunt's talks will be "Encounters with the Living Christ" and they will help us to face ourselves, meet with God anew, and set sail in faith.

Each evening will be an informal service of praise and prayer with a major talk by Bishop Hunt with lots of opportunity for asking questions and to share in fellowship over light refreshments.

Bishop Hunt is a tremendous speaker and all indications are that people will be coming from all over the area to hear his message and the answer to such big questions as: Who am I? Why am I here? Where did I come from? Where am I going?

All are welcome so do come and set sail with us on this voyage of discovery!
