ETA TAU CHAPTER  
BETA SIGMA PHI

We ended the year 1987 with a delicious supper at Calamity Jane's in Addison. Following the meal we exchanged Christmas gifts that revealed our secret sisters. There were some surprises, but many of us had guessed sometime during the year. Santa even put in an appearance although no one had planned it - he just walked into the restaurant!

We found out the name of our 1988 secret sisters in a very imaginative way - on a gingerbread person. Similar to a Japanese fad we had been hearing about, where the teenage girls write the name of the boy they like on their arms and cover it with a bandage, we found the name of our secret sister on the bandage wrapped around the arm of the gingerbread person. Leslie Gunnewiek sure used her imagination for that.

1988 has started well with a moonlit skate behind the home of Jan Haskin, complete

with bonfire, and then the next meeting got us all interested in taking a stained glass course after we all tried the various techniques and made a yellow rose sun catcher. The completed project was then raffled off and the winner was Grace Hanna, our newest member.

Plans are underway for our Blood Donor Clinic to be held at Rideau District High School, April 21st, a Thursday this year. Keep that date open!

We have all been assigned the task of watching for information about performances at nearby theatres that may be of interest to the group. We are all looking forward to a night at the theatre.

We will be welcoming our new pledge into our group with pledge ritual in February.

We are always interested in finding new members for our sorority. If you think you might be interested, let us know! You can call Leslie Gunnewiek (928-2743) or Jan Haskin (359-5597) or any other member.
