The February meeting was held as usual in the C.E. room of the church - with 14 members present.

Hostess for the evening Joyce Simpson, opened with a welcome for all and best wishes to our new president Dorothy Heep, for a successful year. All recited the "Purpose" of the UCW.

The devotional was taken by Myrtle Simpson - with the topic Love - a thoughtful theme for our meeting as there are so many ways for Christians to express love in our daily living.

Business Secretary & Treasurers reports were given and approved.

Sincere thanks was given all members who helped with the dinner the UCW catered and worked hard to make it a successful event.

Coming Events World Day of Prayer service will be held March 4 at 7 p.m. at Pinegrove church: Everyone welcome, please come out and make this service one to remember as "special".

Plans are going ahead for the celebration of the 40th Wedding anniversary of Myrtle and Bob Simpson.

Presbyterial meeting will be held Feb. 23, at 9 A.M. at Lyn United Church.

Our next meeting - March - will be especially interesting to women. Our guest speaker will be Dr. Peter Morrin of K.G.H. and also Mrs. Harris - a kidney recipient.

Make this known among your neighbours and friends. We invite everyone.

Program Taken by Freda Davies. Her subject was "Food - Add Justice to your shopping list." The book by this name, is an excellent guide for re-shaping our shopping habits.

Freda pointed out so many examples of our thoughtless buying - we are not intentionally greedy - but we don't become informed of what is going on amid the powerful big business people.

For example it is sad for us to learn that the many people who work hardest - to harvest our products we buy and pay high prices for - they are the ones who are not getting any fairness or justice for their work - just the opposite.

There is so much to this subject for us to learn and it would be time well spent to try to inform ourselves with what really goes on that is bringing about want and injustice to many.

There are ways - they sound small - but are worth while - we can begin to look, learn, read directions - compare fancy packaging and instant with not so instant! A good subject and very well presented. Meeting closed - followed by a social time.
