Some of the things we are learning in this project are: nutritious snacks, how to cook vegetables-e.g. panning, steaming and stir frying, garnishes, and grading fruits and vegetables.

The Achievement program will be in Lansdowne on November 16 at 7 pm.

**Elgin U.C.W.**

The first meeting of the season started with a Pot Luck dinner which was also enjoyed by the Fellowship Circle.

After the meal, Marjorie Earl led a Bible Study on the parable of the Great Banquet. Karen Earl and Julia Scotland also sang a duet about that feast.

Vita Willows introduced the Devotion which was followed by a skit on dreams and a story on the parable of the rich man and Lazarus.

The business section of the meeting was introduced by President Loree Smith. Sandra Freeman read the minutes of the May and June meetings. Enid Soper gave the Treasurer's report and there was discussion on how payments will be made for two life membership pins each year.

Appreciation was shown by the UCW for three very large plastic table cloths which were given by Elsa Emmons. They will be well used in the Church. The successful evening was closed by the President with a prayer.

The October meeting will be on Tuesday 6th.

**Co-operative Nursery School**

As we have quite a few newcomers to nursery school we have concentrated on getting to know each other, with emphasis on names. We encourage the children to give the correct names to each other. The older children who recognize their own names are beginning to recognize other printed names. We have also played number and letter games and, during circle time, have learnt new songs and games.

Our theme for September has been Safety. We have talked about fires, burns, scalds, and the importance of fire drills, smoke detectors, extinguishers and fire fighters. We have also talked about accidents in school, home and outside. We have emphasized the importance of wearing seat belts in a car, how to cross the road safely, and where it is and is not safe to play. Red has been the dominant colour this month and we have made collections of red objects and talked about the significance of red in relation to danger.

In October we will be taking walks to collect leaves and we plan a visit to Skycroft.

It is still possible to register your child in this program by coming to the Elgin United Church basement on Mondays, Wednesdays or Fridays, or by calling 359-5540.
