

Seeley's Bay U.C.W.

Our U.C.W. held its first meeting of the autumn season on Sept. 1 in the C.E. room, with 16 members present. After a two month vacation, it was good to get together again.

President Joyce Simpson opened with a timely poem entitled "September." Cathy de Graff presented the Devotional. Roll call was answered by a memory of school days.

Correspondence consisted of the minutes of the June meeting, several notices, and thank you notes.

Treasurer Helen Sweet gave a good report of finances from our summer activities - July food sale and also the Farmer's dinner. Helen also paid outstanding bills and donations to various projects.

A special fan was bought and set to work in our downstairs S.S. room and kitchen, making a real improvement in the atmosphere. Thanks to Mr. C. Heys.

There are many projects and meetings to be held in the future and a great deal of necessary discussion was had on each one.

Briefly, the business items were:

Rally date is Sept. 30. We hope a good number of our members will attend.

Our church's annual turkey supper was held on Sept. 16.

Anniversary church service was on Sept. 20 with special guest speaker Rev. Allan Tysick from Brinston.

S.S. resumes Sept. 27.

Plans are in the making for the U.C.W. to cater a hot dinner in January in the Fire Hall for the Leeds and Grenville Cattle Breeders Assoc.

Gladys Webb presented our program, following our mission study. Her special subject was Nicaragua, dealing with that country's problems, their revolution, their determination to win, and their hope.

It looks like a very busy year facing our U.C.W. We hope everyone will take part as much as possible and find much enjoyment in doing so.

Meeting closed followed by a social time and refreshments.

RIDEAU RATS

On the north side of the Rideau Canal in the Seeley's Bay area there is a group amiably known as the Rideau Rats of Seeley's Bay.

This group is headed by Jane and Harry Jones. This year they presented the Muscular Dystrophy Drive with a cheque for \$350. They accomplished this by holding a Father's Day Monkey Golf Tournament at their cottage plus a volleyball tournament and a bass fishing derby organized by the Jim Aldridge family at their cottage.

On top of all this Jane and Harry invited Branch 491 of the Royal Canadian Legion of Seeley's Bay over for a game of golf and another \$69.00 was raised for M.D.

The reins of this fun organization have now been turned over to Shirley and Orv Martin but Jane and Harry said that the events would be on an annual basis so long as M.D. came out the winner.
