For Peak Reception  
Of TV and FM Stations

Channel Master

**Channel Master**  
TECHNOLOGY AT ITS BEST!

- ADVANCED DESIGN
- MICROPROCESSOR MEMORY
- INFRARED REMOTE CONTROL

Introducing the first programmable antenna rotator with infrared remote control! Now you can have accurate television and FM reception as easily as changing channels! Just program up to 11 station positions into the microprocessor memory and with the touch of a button on the handheld remote control, you've got crisp, clear reception automatically, no matter how many times you change channels. It's that easy!
