FOR IMMEDIATE RELEASE
 SEPTEMBER 1987

Have you ever felt the urge to trace your "family tree"? Here's your chance to get expert advice and useful pointers from best-selling author and genealogist **Angus Baxter**, presented by the Rideau Lakes Union Public Library at the Seeley's Bay Library Room, on Monday, 21 September at 8 p.m. Admission is \$1.00 (free to season ticket holders).

Angus Baxter is the author of three best-selling books on genealogy: **In Search of Your Roots**, **In Search of Your British and Irish Roots** and **In Search of Your European Roots** (recently chosen by the American Library Association as one of the 4 best reference books published in North America in 1986). Mr. Baxter has been researching genealogy for over forty years and is a long-time member of several genealogical organisations both here and overseas. He has traced his own family back to the early 14th century!

Angus Baxter is a relaxed and seasoned speaker, having given over 800 lectures on ancestor-hunting in the past 8 years, as well as some 150 appearances on television and radio programmes in most parts of Canada and the United States. He is Associate Editor of *Heritage Quest*, one of the leading genealogical magazines, and is a frequent contributor to magazines and newspapers around the world.

Everyone is invited to this talk, which is sponsored by your public library, the Ontario Library Service - Rideau, and Outreach Ontario, a programme of the Ministry of Citizenship and Culture.
