**DELTA DATA**

The Delta U.C.W. held their Remembrance Day program at the home of Jean Molaro. President, Irma Chant opened with prayer and gave each member a warm welcome. The purpose was repeated in unison. The roll call resulted in 6 home and 5 hospital visits. The theme of the Devotional, given by Edith Woods was "The Gospel and the Flag". Scriptures were read from Jer: 4: 13-18. Onward Christian Soldiers was sung, after which a prayer for Peace was given. Betty Henderson collected the offering which was dedicated by Emily Lester. Birthday money and our Fun Project was received also. Minutes of the October meeting and Irene Goodsell's Treasurer's report were read and accepted. A Minute for Missions was given.

"Gospel Culture" - Where do we get our values? - was the topic chosen by Irene Goodsell for today's program and will be continued in January 1991. Scriptures were read from John 1:1 and Luke 4: 16-21. A very interesting question and answer period was held. We were then reminded of our Christmas verses to be read at our December meeting at the home of Edna Willard. The Mizpah benediction was repeated. With Joan Molaro, our hostess, pouring tea and Leera Raison and Vivian Morris serving lunch, the ladies had an enjoyable time of fellowship. Emily Lester gave the Courtesy. See you all at Mrs. Willard's on December 12th!!!

**BEVERLEY SENIORS**

The Beverley Seniors Club visited the Lyndhurst Seniors Club in October and were treated to a nice dinner. After dinner we were entertained by Charley and Mrs. Cross of Lansdowne on the piano and saxophone. A sing-song was led by Russel Edgely and Rita Hollester performed a hilarious solo skit on the stage. All and all a very enjoyable afternoon. Our meeting was held on November 16. Leta Burt reported on a Seminar for rural women she attended in Smith Falls on October 31, 1990 and Peter Breedyk reported on a Zone meeting, Eastern Sector, held in Cardinal on November 5. The meeting was well attended and was followed by a successful Bazaar. The members

contributed generously, there was a table for crafts and a table of baked goods, which were sold in short order. Almost everybody stayed for a social tea, which was set up in the back of the Legion Hall. For the members we have a free bus ride to Kingston on December 4 for Christmas shopping. On December 14 we will enjoy our annual free Christmas dinner followed by entertainment. Because the 3rd Friday, our normal meeting date, is so close to Christmas, we will have no meeting this month.

**DELTA 4-H CLUB**

The local 4-H Club in Delta has once again started a course for young people, this time in etiquette. These meetings are held at Alana Kitson's home; eleven members attended. The meetings run for two hours each, from 7:00 p.m. to 9:00 p.m. on Tuesday nights. The members and leaders have been discussing various forms of etiquette from formal dinners to supper at home. The course has been in progress for the last three weeks. We would like anyone interested in 4-H to participate in future projects.

**PHILIPPSVILLE W.I.**

The meeting on November 8 opened with the Ode and Mary Stuart Collect. Roll call was answered by showing a craft item made by each member. Eight members from this branch attended the area convention held in the hall at Fredricksburg Township. The Girl Guides are using our hall for meetings because it is central for them. Shirley Wilson conducted the rest of the meeting, asking those who attended to make either mitts or slippers, they will be shown at our December 13 meeting when we will be entertaining Shane's Women's Institute. A delicious lunch was served by Betty Davison and Phyliss Connell.

**PHILIPPSVILLE OUTREACH NEIGHBOURS**

Our November 1, meeting was well attended and as usual the hall and tables were well decorated. Mrs. Haywood was at the piano for a sing song. Anna Greenhorn said Grace. Lester Halliday had the marked plate and gifts were distributed to those with birthdays. Beside each plate was a small book of turkey recipes. Guest speaker, Susan Noakes of Delta was dressed as Mr. Denault in clothes made from early patterns, and looking as he appears in the Delta Mill. Susan also presented a slide programme which was thoroughly enjoyed. For the December 6 dinner, we ask everyone to bring their own containers for take out meals; we hope to avoid using plastic and styrofoam containers. We do not want anyone to miss dinner - so if you do forget you will be served.

Secondly, the Delta Volunteer Firefighter's Association acknowledges the assistance and contributions of the Beverley Elementary School Committee. Without the co-operation of this dedicated group of volunteers, the bingo would not have been possible.

And last, but not least, the Delta Volunteer Firefighter's Association would like to thank all of the bingo players. Over the period of the 27 hours, in excess of 250 people played 403 games of bingo. Congratulations and thank you to all of those dedicated bingo players.
