The Association of Development Consultants of Ontario (ADCO) is pleased to announce that J. Douglas Ritchie of Portland has been selected as the first recipient of an annual award to individuals who have made outstanding contributions in the field of housing development. Doug Ritchie has established a long and varied career creating communities and better housing in such diverse areas as Eastern Ontario, Alberta, Pennsylvania, Grenada and Spain. As employee #004 at the newly created Central Mortgage and Housing Corporation in 1945, Doug Ritchie assisted in the transition of war time housing to private ownership, and in the entry of Newfoundland into Canada. More recently, the citizens of Gananoque, Portland, Napanee, Nepean, Loughborough, Winchester, Athens and Almonte have enjoyed living in affordable non-profit housing because of the professional skills Doug Ritchie brought to the community based boards involved in developing housing through CMHC and Ministry of Housing programs. Husband of Margaret and father to Anne, Margaret and Kendal, Doug was honoured at the recent provincial housing conference in Hamilton, where he was presented with a commemorative plaque for his outstanding life time contribution to the development of housing.
