**RUNCIMAN SUPPLIES
COMMUNITY PHONE
DIRECTORY**

Brockville - Over the course of the next week, residents of Leeds-Grenville will be receiving a comprehensive phone directory in the mail, courtesy of M.P.P., Robert Runciman.

The directory will provide phone numbers on, as Runciman put it, "everything under the sun." Service clubs, churches, bowling alleys, schools, municipal offices and ice rinks are just a few of the categories, covering all municipalities in the two counties.

"Rather than send out a newsletter, I wanted to provide residents with something that could be of long-term service to constituents, perhaps for a number of years," said the M.P.P.

"I believe the time my office spent preparing this booklet was well worth it and hope that the directory will prove useful to many constituents in their varied daily activities," he added.
