First City RealFund: The Mutual Fund that lets you share in the King and Bays of tomorrow.

RealFund replaces hindsight with foresight. Yesterday's investors had the vision. We're making real estate work for today's investor. Starting with as little as \$1,000, you can share in a growing portfolio of prime income producing properties: shopping centres, office buildings and industrial complexes in major centres across Canada.

RealFund saves taxes.

RealFund gives you tax deferral unavailable with other kinds of mutual funds. By deferring taxes on a significant portion of income, we keep more of your money, yours. Plus RealFund is one of the only real estate Photo #T-1117 courtesy of MTL

investments you can protect in your RRRSP or RRIF and compound tax-free.

The reward vs. the risk.

"Buy real estate," Will Rogers said: "they're not making any more of it." Few, if any, investments offer the stability, consistency and year-in-year-out return of quality commercial real estate. It's an investment that lets you sleep nights. And dream.

The best time to buy real estate is as soon as possible. Send the coupon below or call Garry Beckman at Midland Doherty, 234-3000 or, toll free in the 613 Area Code, 1-800-267-9345.

Offer made by prospectus only.
