FRIDAY - SATURDAY - SUNDAY 7.30 a.m. - 1 a.m.  
FULLY LICENCED UNDER L.L.B.O.

## Deutz-Allis Hay Equipment. IF YOU HAVEN'T SEEN IT, YOU HAVEN'T SEEN IT ALL.

You're looking at "world class" hay tools, with unique advantages.

See our HD square balers. A wide pickup feeds the rugged plunger that glides on ten sealed roller bearings at 100 strokes per minute. Makes dense, uniform 14 x 18-inch bales. Knotters are gear driven, eliminating chain noise and wear.

See our GP series round balers. Fixed chamber steel rollers compress material from the outside in... to lock in nutrients and resist moisture. The 67-inch wide hydraulic pickup gathers all the windrow so you get all the hay in the bale.

See our Deutz-Allis mowers. SM disc mowers have rotating discs with paired knives that

overlap from disc to disc for uniform mowing even in wet, tangled and down crops. Also available with a conditioner in three sizes.

And check out our drum mowers, including a front-mounted model to let you cut an extra swath and cover acreage in half the time.

See our rotary rakes and tedders. Rotary rakes carry and fluff hay into the windrow instead of beating, bunching and rolling it. Rotary tedders gently spread-out or fluff the hay for faster drying. Our combination rotary tedder/rake easily changes from raking to tedding.

Don't buy another piece of equipment until you've seen it all. Stop in soon.
