Daffodil Sales: Beta Sigma Phi (under the leadership of Judy Pattinson and Ruth Pedherney) - \$1,984.97 (decrease of \$486.72)

On behalf of the Canadian Cancer Society we would like to sincerely thank the generous contributors, service groups and organizations, the canvassers, captains, Beta Sigma Phi, local stores, banks, etc., for handling the sale of daffodils, Doug Landon (for compiling the

kits), Gloria Scott, President, for arranging the campaign meeting, and for her support, Nancy and Earl Grace, The Stage Coach Inn, for graciously hosting the March meeting (and for serving delicious desserts and coffee), the Rideau District High School Yearbook Committee for raising money for the society through a "rockathon".

Although Memoriam collections have not been mentioned here, we would be remiss if we did not recognize our funeral directors who collect, receipt and bank funds all year long for the society. This entails a lot of work at busy times in their schedules.

Our goal was \$22,000.00 this year. Perhaps it was too high! We will endeavour to strive until we see a cure for the many types of cancer that attack our people. Remember that one in three people will have cancer during their lifetime!
