

SEELEY'S BAY U.C.W.

As hostess, Alice Leavitt welcomed the members to their Thanksgiving meeting. "In everything give thanks" was the theme of the devotional given by Bonnie Roantree. Let us not only be thankful for one day - but for every day. Mabel Mainse read a poem which expressed these sentiments for all. The thankoffering was received and dedicated. The president, Dorothy Heys, conducted the business. The minutes and treasurer's report were approved as read; the card report showed sympathy and get well cards had been sent to many and assistance was given at two funerals. Trees and shrubs have been planted at the side of the church, and three members donated trees as a celebration of the baptism of a grandchild. Various members offered to substitute for Dorothy Heys while she enjoys the sunny south. So many contributed to the success of our annual turkey supper and we are grateful to use the facilities of the fire-hall. The happy weekend continued to our Sunday Anniversary service when Rev. Ron Smeaton and his wife Delores returned to our midst. After, there was an opportunity to greet old and new friends as lunch was served in the C.E. room. Our UCW was responsible for registration at the sectional fall rally held in Lyndhurst. The speaker, Mary Nichols, a retired nurse and missionary who worked in Nepal, showed pictures and told us of how people live in that very different culture from ours. Rev. Carolyne Turner requested used books for the penal institutions and donations are to be left at Dorothy's. For our program, our minister, Rev. Daryl Bell, shared with us many reminiscences of his journey of faith into the ministry - as well as humorous anecdotes of time spent in France and Scotland. Lunch was served by Alice Leavitt, Christine Munro and Bonnie Roantree as we concluded our meeting with a social time together. Mary Davies

SEELEY'S BAY SENIORS

There were 30 members present for the October business meeting. The meeting opened with a welcome by President Orvin Martin and a special welcome to the Western Zone 20 President, Peter Breedyk, who spoke a few words to us. All united in singing "O Canada", followed by "Happy Birthday" to Mary Davies, Etheleen Tye, Howard McConnell and Freda Tempest. The Secretary called the roll and followed with the reading of the minutes of the September meeting. The correspondence was as follows: a letter from the Township stating there would be no dinner for the volunteers this year because of a tight budget; a poster reminding seniors to get their Flu shots. Other reminders were: St. Peter's Church Annual Smorgasbord Supper, October 24; Legion Steak Dinner, October 27; Legion Remembrance Day Service, November 11. The Treasurer gave her report, which was approved. Orvin told us that Seeley's Bay Lodge is under new management with Anna Johnson as supervisor. He suggested that we should supply them with some form of entertainment once a month. Two minutes silence was observed in memory of Herb Eaton, one of our former members, who died recently. Then the meeting concluded with the Mizpah Benediction. Afterwards, refreshments were served and cards or games were enjoyed. Freda Tempest
