

SEELEY'S BAY LEGION

The highlights of the June 13th Past President's dinner and honors and awards night were numerous and impossible to list in order of importance so I will list them exactly as they happened. To start off with, Sgt. at arms Grace Tryon and flag bearers Hilda Talboys and Betty Draper were in position for the Ladies Auxiliary and Sgt. at arms Don Charboneau and flag bearers Roy Talboys and Ted Smith were in position for the branch. The many guests were introduced which included presidents or their representatives from just about every branch in our zone, Deputy Reeve Gordon Leadbeater, Fire Chief Tony Noakes and many others you will recognize as you read on. Branch President Len Whiteford then started things off by a salute and a lot of well deserved accolades for the tremendous job done by our immediate Past President Garry Hunter over the last two years. A certificate of merit was presented to Comrade Ted Smith by Zone Commander Marg Moule. This was followed by past officers medals to comrades Tom Broomer and Ken Draper which were presented by Len Whiteford. Following this, Commander Marg Moule read his history with this branch and then presented him with a lifelong membership, we all enjoyed one of the longest standing ovations ever witnessed in this hall. And now it is the Ladies Auxiliary's turn. President Joan Whiteford called for past president Velma Turner to be Paraded forward and presented her with a plaque for the devotion beyond the call of duty for serving as president for nine consecutive years. 1st vice president Martha Bennett and Branch Past President Garry Hunter then presented comrade Velma with framed pictures of the executive committees. This branch was then honoured by Mrs. Rose Wood of Ottawa who donated a flag and staff in memory of her husband, the late Arthur Wood. This was accepted by the president who promised to secure it in a place of prominence in Branch 491 for all time. There will be no general meetings for the summer but we will gather together every Wednesday night. Please watch the next Lantern for the fall details. A branch bulletin will be issued in August.

Free Women's Summer Recreation/Social Program

In July and August, Family Focus is offering a free summer program for women. Seeley's Bay is the focal point for this recreational and social program, in which women and children will be given an opportunity to break the monotony of a long, hot, boring summer. Activities such as baseball, horseshoes, croquet, volleyball, and maybe even golf will be offered to the women, while daycare givers will assist in the supervision of the children. Tuesday afternoons have been chosen for these events. The last Tuesday in August is planned for a full day of fun with games, prizes, and a barbeque for all the women and children. This summer program is offered to any interested women in the Seeley's Bay/Elgin areas, and it's all free. If you are in need of transportation to and from the events, Family Focus will arrange your ride. Phone 359-1069 if you have any questions. We will add your name to the fast-growing list of women already interested.

LEEDS 4-H BEEF CLUB

On June 2nd, the Leeds 4-H Beef Club met at the home of Gordon Byers in Brockville. Maureen Beaton opened the meeting. We then judged a group of horses to help prepare us for the upcoming judging competition. Mr. John Johnston, a local veterinarian, talked to us about the health and care of cattle. We then toured his clinic. Neil Beaton thanked him on behalf of the club. Refreshments were served. Our next meeting will be held at the home of Peter Emmenegger, R.R.1, Portland on July 8, 1987 at 7:30 p.m.
