**Apron Factory Crafts**

On April 4, 1987 Apron Factory Crafts - Main Street - Delta will open. We would like to thank the following people for all their help and support to make a dream become a reality. Kenny Rogers, custodian of Delta dump for his help on our many trips to the dump with debris upon cleaning out the building. Greg Raison of Cashway Brockville for his understanding of amateur carpenters terminology and inaccurate measurements. Jake Eyzenga of Warner's Lumber Lyndhurst for delivering supplies on short notice. Ken O'Connor manager Beaver Lumber, Kingston. Stewart (Stu) Wright for his ability to give us heat and light in such an old building. Also his many tips on things we inexperienced carpenters were unaware of. Sweet's Hardware for their proximity (right across the road) to obtain supplies when we ran out, nails, glue, paint, kerosene and gasoline. Leeds Glass who replaced our front picture window so we can now admire the view we have. Les DeVillie for our Apron Factory Crafts sign. Plus the various people who stopped in to give us moral support along the way. Thanks to Samuel Zigman for selling us the building. Again thanks to all.
