

SEELEY'S BAY LEGION

On December 20 we held a dinner honouring our Ladies Auxiliary. Seventeen branch members cooked, served and cleaned up for fourteen Ladies Auxiliary and thirty-four Senior Citizens. After dinner we were treated to a pleasant surprise when the senior Citizen club led us all singing Christmas carols. I have a sneaky feeling that this choir has been practising for quite a while. The Seniors' club also provided us with a fabulous dessert table and for this we thank them too.

Something special - an old-fashioned box social and dance. Starts at 8:00 p.m. and the bidding on the boxes starts at 11:00 p.m. Everyone is welcome. There will be a prize for the most originally decorated lunch box for the ladies and a fine for bidding on their mate's lunch box for the men.

Valentine's Dance 14 February, 9 p.m. to 1 a.m. Everyone is welcome and we will be featuring Tom Wilson and His Western Allstars live. \$5.00 per person and there will be spot dance prizes, food and refreshments available. Oper House - 28 February, 8 p.m. to 1 a.m. Bring dart players, bring card players and bring friends. An evening of fun and games with food and refreshments available. General Meetings 11 and 25 February at 8:30 p.m. Adam and Eve darts every Friday at 8:00 p.m.

SEELEY'S BAY PARK COMMITTEE

Thanks to a group of hearty volunteers, the two rinks in the park are ready for use. A special thank you to the Seeley's Bay Fire Dept. who gave up their training night to provide us with an ice surface. Weather permitting, there will be skating in the evenings and on weekends. There is no charge. If you are interested in lending a hand, please call Karen Hudson at 387-3865. The Parks Committee has decided to hire Ivy Lea Consultants from Kingston to prepare a site development plan for the park. This project is conditional upon receiving a grant from the Community Recreation Planning Branch. That application has been submitted and the committee is waiting the decision.

Our first meeting of 1987 was held in our new Public Library. This was a pleasant and special change to hold our meeting in our library's Community guest room. Owing to illness our attendance was small - 13 members.

President Joyce Simpson opened the meeting as usual with a poem. She also took Freda Davies's place, as she was out of town, and took the devotional with a timely subject, "The New Year." She pointed out the challenge and opportunities for all. Secretary and Treasurer read their reports, which were approved.

Business session - planning the programs for 1987 and discussing new ideas, especially how we can welcome in practical ways the newcomers to our community. We want to assure them that they are most welcome and needed here.

January 21 is our Congregational meeting with a Pot Luck supper at 6:00 p.m. - a good time for families and children. Come and enjoy the fellowship.

Our U.C.W. (of Canada) is celebrating its twenty-fifth anniversary this year, and great plans are in the making for a gathering of women July 18 - 21 at the University of Waterloo. For registration information, the Bay of Quinte Conference may contact Sarah Wigmore of Yarker.

Our program this month was in charge of Myrtle and Hilda Simpson, who presented a film called "Our Indian Native Speaks Out". As this is our study for this year, the film was interesting and informative. We appreciate the idea and work the girls displayed in bringing us this film. We also appreciate the Library Board for the use of their screen and projector, and the use of facilities in their comfortable room.

Refreshments and a social time followed the film.

Remember our February meeting. Back to our usual C.E. room of the church. Everyone come with new ideas and good resolutions for 1987.
