KINDERGARTEN REGISTRATION

Junior Kindergarten Registration
 and
 Early Childhood Screening

The Leeds and Grenville County Board of Education invites parents of Junior Kindergarten and Kindergarten-aged pupils to register for the 1987-88 School Year.

Please call your local school on or before Feb. 6, 1987.

Junior Kindergarten pupils must be 4 years of age on or before December 31, 1987.

Kindergarten pupils must be 5 years of age on or before December 31, 1987.

Early Childhood Screening

In co-operation with the Lanark, Leeds and Grenville District Health Unit, a Health Screening and Information session will be held at each school for parents of children 3 to 5 years old.

The Health Screening includes: Vision, hearing and Dental Assessment, and an opportunity for parents to discuss the development of their pre-school-aged children. Where appropriate, a referral to other community agencies or services will be provided.

For Junior Kindergarten and Kindergarten registration, verification of tax support, proof of age (birth certificate) and the child's immunization record will be required. If the child is to be transported by bus, the school office will need to know the Lot and Concession number of the residence.

Please phone the local public school on or before February 6 to schedule an appointment for this registration.

Beginning at 10 a.m. each Thursday, it is hoped to continue through the Spring if enough interest is forth-coming. Take the time to introduce your children to the "Library Habit".

Seeley's Bay

Busier than ever, not only with regular library service, but with the addition of the copier and film projector, Librarian Hilda Simpson is kept on her toes. It is hoped that a "movie night" may be organized in the near future. The Union has an excellent selection of "videos" and has acquired an extra Player. (these videos are not for home use, being of the 3/4" style)

All that is needed is a T.V. monitor. If anyone in the Seeley's Bay area has an old but workable colour T.V. which they would lend to the Library, we could begin the program right away. Please contact Hilda if you can assist with this item.

The video movies cover a wide variety of subjects, both educational and entertainment. A series on Hockey Tips; Women's Issues; Cross Country Skiing plus many other subjects are readily available. Movies for the younger set are also available. If you are interested in viewing any of these, please let Hilda know and we will be happy to offer a "preview" at the Elgin Branch.

As the response to our ADVANCE BOOKING PLANNER was most positive, we will offer the same service again this year. All we ask is that you submit your dates and events to us as soon as they have been set. We will then include them in the Advance Planner and also list them in the required Coming Events Column. **N.B. Only date and event may be included in the Advance Planner.** Additional details should be submitted (for inclusion in the Coming Events Column) before the deadline date stated on the Editorial Page of each issue. (Prices and ticket sellers cannot be included in the Coming Events Column) Items in the PLANNER, COMING EVENTS & CALENDAR are free-of-charge.

The Lantern staff reserve the right to abbreviate any submitted items.

DATES IN DARK PRINT HAVE ALREADY BEEN CONFIRMED.
