SWEET'S CORNERS SCHOOL COMMITTEE

The meeting on Nov. 18th began with a brief fashion show. Two students modelled the new school uniforms. They are in the school colours of yellow and maroon. The thirty uniforms have just arrived and are much appreciated by the students and staff. Each year the Seeley's Bay Lions Club distribute food hampers to needy families in the area. The families of school children will be asked to contribute food for these hampers during the week of Dec. 8th. Non-perishable items will be requested only. The students collected \$150. for Rick Hansen. In appreciation, they received a personally autographed poster of Rick. The student council is entering a float in the Lyndhurst Santa Claus parade on Nov. 22nd. The theme is "Education: the past, the present, the future." Thanks to all those kind people who purchased a mug and/or calendar in the fundraising drive. The money raised will be well spent. The public is invited to attend a very exciting Christmas concert on Dec. 17th at 7:30 p.m. at the school. It is a musical entitled "Angels, Lambs, Ladybugs and Fireflies". It was decided not to have a meeting in December. The next school committee meeting will be Tuesday, Jan. 20th at 7:30 p.m. The guest speaker was Elaine Dempster, the Grade 3 teacher at the school. She outlined her program in Grade 3, with an emphasis on explaining "Child Centre Activities". Not only was her talk very informative but it gave the committee members a very positive feeling about the teaching program at Sweet's Corners. Mrs. Dempster taught at Lansdowne for the past 15 years and is very enthusiastic about the open concept at this school.
