

ELGIN C.W.L.

What is so rare as a day in June especially when an interesting CWL meeting coincides with the birthday of one of our most valued members, Laura Carty.

Mass was celebrated in the Church. Then we held our meeting in O'Neill Hall with a large crowd in attendance.

Pres. Gen Donovan opened the meeting with prayer. The secretary read the minutes and roll call. With the Treasurer's report we are happy to report 8 new members. The correspondence included Thank you notes from the Providence Motherhouse for our assistance in educating a priest in a foreign country mission and a letter from the parents of our Foster Child.

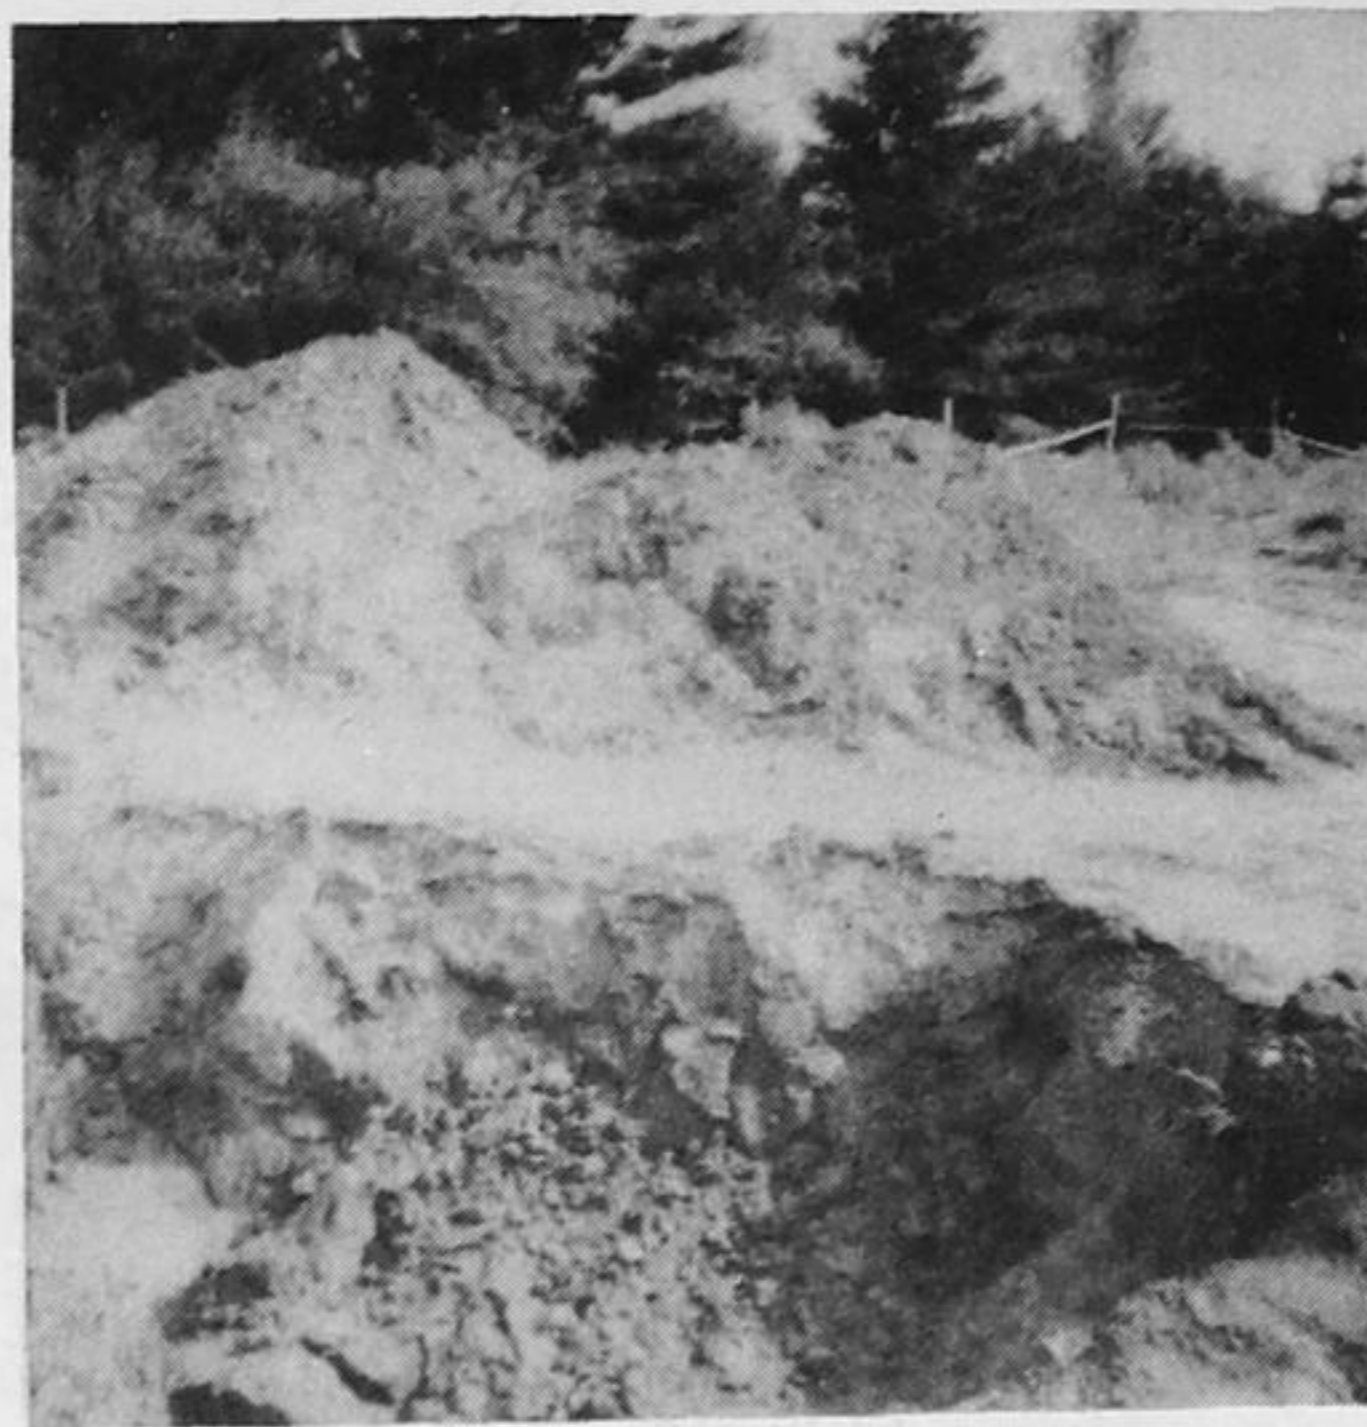

Father Shea informed us that a parishioner has offered to decorate the church for Christmas.

Prices for renting the Hall will be submitted in June after the Parish Council meeting. Some of the kneeling benches are in need of repairs. This will also be discussed.

The Parish Picnic will be on Aug. 10th at Lower Beverley Park.

A President's gavel will be donated and we hope to have a picture of our Lady of Good Counsel and a vigil light at each of our meetings.

The pres. gave a most vivid account of her trip to the Convention in Belleville. The hospitality of the Belleville ladies was second to none.

Elgin Lions Club Community Hall...
...the beginning!

LIONS CLUB COMMUNITY HALL BEGINS TO TAKE SHAPE.

With the recent decision of the County School Board to ban smoking in Board owned facilities, the Elgin & District Lions Club have an increased incentive to complete their Hall. While not condoning smoking, the Lions Club realize how difficult it is to offer functions, dances, Bingo's etc., in buildings where no smoking is permitted. As the weekly Bingo's are one of the major fund-raisers for the local Lions Club, the no smoking ban will create some problems. Local residents along with Lions Club members have appealed to the County Board of Education for a reprieve in the commencement of

the no-smoking date. This would permit their fund-raising to continue until their Hall is completed.

Regardless of the results of this request, the push to have their Hall completed is on. The well has been drilled, footings poured and the foundation being prepared. Walls will soon be erected and, hopefully the building will be "closed-in" by fall.

The new facility will offer an alternative to all community groups for their events. It is hoped to keep the rental fee reasonable and that all groups will consider using the hall for a variety of events from dances, receptions, trade shows, etc.

A few weeks later....
well drilled, footings poured and foundation walls finished!

You can help: Funds are still needed and volunteer labour will be most welcome in the next few months. If you can offer any assistance, be it money, labour or building skills, please contact Ron Tinkus, Chairman of the Building Committee. Let us help Elgin have a great Community Hall!

Three volunteers will organize the committee to make plans for a Bake & Craft Table at Elgin Day, July 12th.

The president's annual report showed a most rewarding and fulfilling year and she stated how enriching the year was for her.

A delicious lunch was served. The meeting closed with Prayer.
