# FRIENDS

The Leeds & Grenville Family Relief Program is a support program to families who include a child with a handicap. We help to expand the network of people who love and care for their child, by introducing families who include a child with a handicap to another family/individual in the community. It is hoped that the families will develop a trusting relationship and that the child will benefit from spending some time - an hour, an afternoon, week-end, or week with his/her new friends. We are presently looking for a Host Family in the Elgin area. A family or individual who would be interested in having a young girl visit them for approximately one week-end a month or every 6 weeks.

An opportunity to share your home with a new friend. If you are interested, please call the Family Relief Program, Barbara Langmuir at 342-1825. Or write the same at P.O. Box 423, Brockville, K6V 5V6. Thank you.

The Leeds & Grenville Family Relief Program provides support to families who include a child with a handicap. We share a concern about the quality of life for families who include a child with a handicap.

We help foster relationships by introducing a family who includes a child with a handicap to another family in the community (Host Family).

Host families provide the child with opportunities to meet new people and participate in various community activities.

**PROGRAMS - OUT-OF-HOME** - the child visits the host family/individual in their home ... for an afternoon, a week-end or week.

**IN-HOME** - Host parent/individual comes into the child's home for a short period of time.

**RECREATION** - A full-time Recreation Co-ordinator assists children to become involved in their neighbourhood/community activities.

We need **VOLUNTEERS** who would welcome a child into their home or who would visit in the child's home. We need **VOLUNTEERS** who would accompany children and teenagers to social/recreational activities.

**LET US MATCH YOU WITH A FRIEND.**

The Leeds & Grenville Family Relief Program is funded by the Ministry of Community & Social Services and sponsored by the Brockville & District Association for Community Involvement.

### OUTREACH NEIGHBOURS

The Philipville Outreach Neighbours held their dinner with eighty dinners being prepared by Veda, Lola and Marion.

The hall was beautifully decorated with spring flowers. There was no guest speaker, so Mary Sutcliffe gave an outline on the progress of our club. Mrs. Patterson, Forfar, was presented with two lovely scrolls on the occasion of her 90th birthday which was in May. Grace, which was from France, was given by Anna Greenhorn. Happy birthday was sung to those with June birthdays. A sing song followed. Next senior citizen's dinner will be July 4th.

### Can YOUR Water Pass the TEST?

5 of the most common household problems are listed below:

- "Itchy" feeling after bathing
- Soaps & detergents not sudsing
- Rusty stains on sinks, fixtures
- Mineral deposits on chrome fixtures, bathroom tiles, etc.
- Strange tastes or odours in your drinking water

### WATER CONDITIONING EQUIPMENT

can do away with these problems!! Call today for an "In Home" Water Test & Free Estimate.
