

RIDEAU NOTES

Campaign '86 is over. The speeches have been spoken, the ballots crossed and counted. Students at Rideau District High School have made their choice and elected a new Student Council Executive for 1986-87. Assisting President Pam McCulloch, are: John Cooper, Vice-Pres.; Jennifer Carbino, Secretary; Lynn McGregor, Treasurer; Halina Skoryna, Social Convenor; Cory Haskins, Publicity; Sue Whalen, Girls' Athletic Rep; and Scott Wykes, Boys' Athletic Rep. Eight Rideau phys-ed students recently returned from a two day endurance test on the Rideau Lakes. Patti Sly, Terri Haskin, Dave

Johnson, Ed Keech, George McCulloch, Julie Moulton, Ron Pyne and Scott Smith, students from grades 10, 11 and 12 accompanied by Phys. Ed. Department Head, Mark Timpany, paddled their way in canoes from Sand Lake in Elgin to Hart Lake, where they camped out. The twelve mile trip included two portages, one around Davis Locks, and a crossing of Opinicon Lake. In the 1986 Canada-wide grade 13 Descartes Mathematics Competition, the team from Rideau District High School placed first among the schools from Leeds and Grenville, and fourth in Eastern Ontario, Zone 66. Stuart McEwen was top scorer from Rideau with a 50, which gave him 6th place out of 126

competitors from Zone 66. Chris Pritchard placed 10th with a score of 44. Both McEwen and Pritchard received Certificates of Distinction for their showing in this year's competition. It was the efforts of McEwen and Pritchard, combined with the scores of other team members, Pennie Babcock and Jason Walker, and the coaching of Rideau Math Department Head, Norah Wilson, which enabled Rideau to do so well in the competition. Grade 13 student, Martha Kenney, travelled to Brock University in St. Catharines, to compete in the Provincial French Contest. Kenney was accompanied by Rideau French Teacher, Donna Dean.

Thursday was Awards Day at Rideau. Barb Klein Gunnewick and Dan Burns co-hosted the general assembly, which was organized by school Librarian, Mike Drouillard. Students Karen Carbino, Tim Best and Christian Michaud received their senior academic letters; these are awarded to Year 4 students with 18 of their 27 credits at 80% or above. The Student Council Trophy, awarded for most valuable contribution to council, went to Sherry Cooper and Wes Coleman. The Principal's Trophy was won by Pennie Babcock. This trophy which has not been awarded since 1982, is presented to a student who, by exceptional contribution to school life, wins three Senior School letters.
