

COUNTRY KITCHEN COOKBOOK

by Kathryn Scott

Happy St. Patrick's Day to all of you!!

Pistachio Cake

- 1 pkg yellow cake mix
- 1 pkg instant pistachio pudding
- ½ c. oil
- 1 c. club soda
- 3 eggs
- 1 c. chopped nuts

Beat for 2 minutes. Bake in tube pan at 350° for 45 min. Refrigerate cake for 3 hrs. then frost.

FROSTING:

- 1 pkg. Dream Whip
- 1 pkg. Instant Pistachio pudding
- 3 oz. softened cream cheese
- 1½ c. cold milk

Beat for 2 min. at high speed for 2 min. (A delightful cake for an Irish party).

Easy Frosting

- 1 hot bowl & beaters
- ¾ c. sugar                      ½ tsp cream tarter
- 1 egg white

Put all ingredients & beat about 10 minutes until it forms peaks. You may add a touch of green colouring or, depending on season, pink or yellow food colouring may be added.

Irish Soda Bread

- 3½ c. flour                                      2/3 c. sugar
- 1 tsp. salt                                      1 tsp baking soda
- ½ c. raisins                                      1 tbs caraway seeds
- 2 eggs slightly beaten
- 1½ c. buttermilk
- 2 tbsps melted butter

Preheat oven to 375°. Grease well at 9" breadpan. Sift dry ingredients together. Add raisins and mix well. In separate bowl, combine eggs, milk and butter. Add to dry ingredients and mix slightly until ingredients are wet. Bake 45 min. to one hour. (Makes one loaf)

Damp Cake

- Melt ½ lb. margarine
- 1 can cherry pie filling
- 1 can crushed pineapple with juice
- 1 pkg. white cake mix

Stir all together, mix just a little and pour into a buttered 9 x 13 pan. Top with layer of cocoanut and 1 cup chopped nuts. Bake at 350° for 1 hour 15 mins.

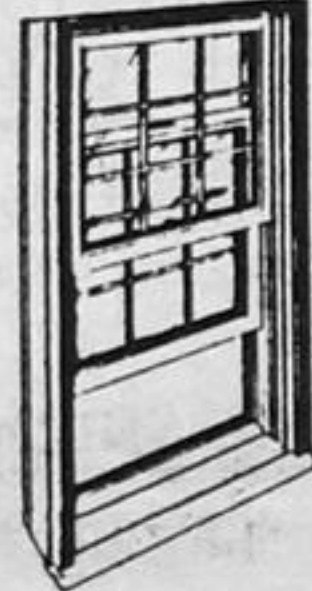

# WINDOW SHOPPING?

## EMMONS Lumber

are proud that they were selected to be the **EXCLUSIVE DEALER** of the DF Window line.

The modern way  
**to window**  
your home

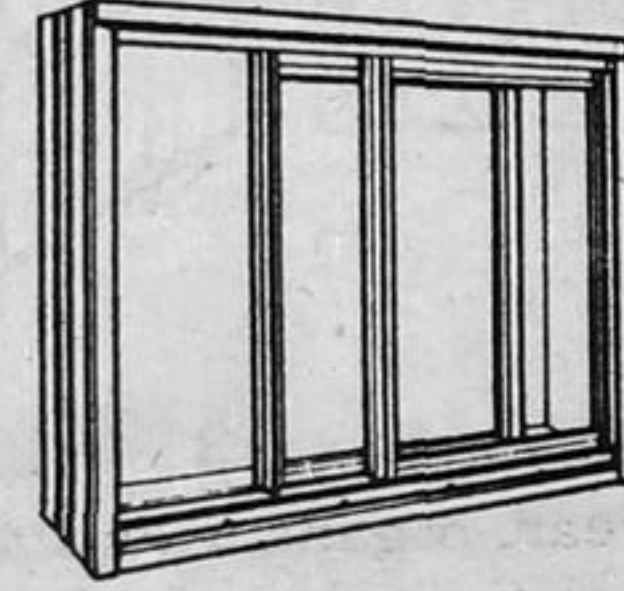

**VERTICAL SLIDER**

Combining efficiency with style, the vertical slider will enhance your home with the charm of yesteryear, while offering truly modern weather-proofing adapted to our canadian climate.

In clement weather, it can open from both the top and the bottom (optional feature), allowing a greater movement of air.

And cleaning your vertical slider is no longer a chore with sashes that tilt inward. What a modern way to window your home!

**HORIZONTAL SLIDER**

Designed to provide a healthy flow of air into your home through indirect ventilation but with minimal heat loss, the horizontal slider made from wood and vinyl owes its popularity to its water and air tightness. This is why it is also called the trouble-free window.

Options like sealed glazing in vinyl sashes to reduce upkeep by half and triple glazing for superior insulation further maximize your sound investment.

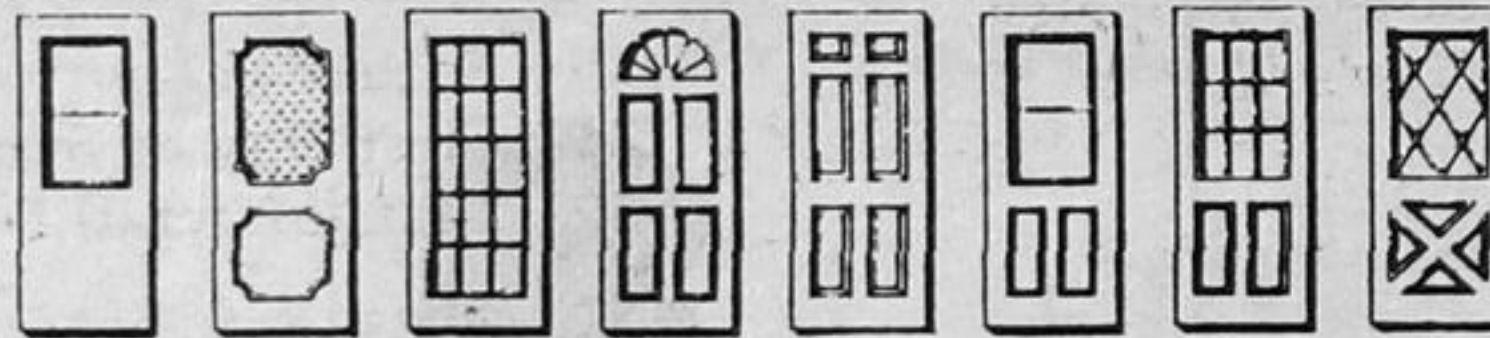

**CASEMENT & AWNING**

Stylishly avant-garde, both the casement and awning window are solidly built, and manufactured to last with a minimum of upkeep.

Ingeniously-designed double-edged Lozaron weatherstripping, an exclusive DF feature, ensures superior protection against the elements and the utmost comfort for you.

Natural pine or cedar or with optional exterior cladding in white or brown vinyl, these windows will complement the beauty of your home.
