

LYNDHURST

LYNDHURST U.C.W.

The June meeting was held at the home of Velma Kelsey. President Betty Moorehead welcomed everyone and opened the meeting with the reading of a poem "Spring". Audrey Welch was in charge of the devotional. The hymn "We plough the Fields and Scatter" was sung. Audrey's theme was "Planting and Reaping" and she read an article with this title along with a poem by Edgar A. Guest titled "A Package of Seeds". The devotional closed with prayer.

Offering was taken and dedicated followed by reading and approval of minutes. Roll call was answered by 17 members. The treasurer's report was presented along with a report of the conference which included many interesting topics.

Mary Townsend gave a reading on stewardship. Correspondence included a thank you card from the Kenny family.

It was decided to hold a bake sale on Aug. 17/85 and a Tea & Bazaar on Nov. 9/85

Meeting closed with the repeating of the Lord's Prayer in unison. A delicious lunch was served and a vote of thanks was extended to the hostess for the use of her home as well as to those who had assisted with the meeting.

KENDRICKS PARK DAY CAMP PROGRAM

We are pleased to announce that the Day Camp program at Kendrick's Park will be taking place again this summer. There will be two sessions of three weeks each; the first session will run from July 2-July 23 and the second session will run from July 30-August 12. Eight staff members have been hired to supervise the children as they make crafts, play games and participate in many other fun activities. In previous years, the Day Camp program has been sponsored by the Township of Rear of Leeds and Lansdowne; this year the program is sponsored by the Seeleys Bay United Church. The cost is \$15.00/child or \$25.00/family. For further information, please get in touch with Jason Takerer at 387-3531.

SWEETS CORNERS PUBLIC SCHOOL TRACK AND SOCCER FIELD OPENED

The regulation-size soccer field and track at Sweets Corners Public School were officially opened on May 11, 1985. The field and track were made possible through a Wintario grant and through the generous donations of time, money, and supplies from many local people. This support was greatly appreciated and the Township of Rear of Leeds and Lansdowne would like to extend a warm thank you to all of the people who supported this project.
