

PHILIPSVILLE W.I.

The Philipsville Women's Institute held their October meeting in their hall Oct. 10th. Pres. Theresa George opened the meeting with the Ode and Mary Stewart collect. Roll call was "name a use for trees during their lifespan" and many good answers were given. The guest speaker was Gary Nelson, Brockville from natural resources. He spoke on "the benefits of trees to society at large". He divided the talk into social, economic and ecological. Canada's forest department is the 2nd largest in the world. If the forests were divided up, each man, woman, and child would have 35 acres. There are over 140 kinds of trees. Canada exports 20% of the newspaper used in the world. Mr. Nelson spoke of the benefits of the lumber industry and the different products. Many people don't know that A.S.A. comes from the willow tree, as well as artificial sponges, diapers, raincoats, typewriter ribbons, turpentine, tires, rayon, garbage bags and even ice cream. The greatest uses of trees are holding the soil in place so it doesn't blow away and the oxygen we all breath. If acid rain is not controlled in time the trees will be dead. He left pamphlets for us, and a question and answer period was held. I encourage other groups to get Gary to speak to them at meetings. The meeting continued with reading of the minutes. Old business and new business were handled, bills were paid. On Nov. 25th in our hall we will be having a demonstration on microwave ovens from 1-3 p.m. Anyone wishing to know more phone Mrs. Ross Stone, Mrs. Lorne Bolton or Mary Sutcliffe as we can handle only 50 people. Christmas carol books are to be ordered. A report from the area convention held in Napanee, was given by Veta Bolton. She reported that items for the Home and Country are sent in twice a year and are to be sent to Florence Knapp. Also stick pins and decals can be bought pertaining to W.I. work.

The district annual is May 15, 1986 in Chaffey's Lock. The area convention is Oct. 6-7th in the Quality Inn, Brockville. East leeds will be the host. Our idea for a part in Delta Fair was discussed and Veta will take it to the executive Nov. 5th in the community room, Elgin. The program continued with Leorene reading a poem "Trees Speak to us of God". Singing of the national anthem closed the meeting. A contest was held on trees and Marion Stone was the winner.

PHILIPSVILLE NEW OUTREACH
The New Outreach Neighbours "Wheels to Meals" meeting was held in the Institute Hall, Oct. 3rd with a good attendance. Guest speaker was Mrs. Cheong, Portland who spoke on the new volunteer group that has been formed. If you can spare some time to go and read, shop, visit, write letters, etc. for someone, contact her and she will tell you what she wants. Mary said Grace and everyone enjoyed a steak dinner and trimmings. Clela Haskin was the birthday person for the month. A sing song was enjoyed with Mrs. Haywood at the piano. Games Followed. The next dinner will be Nov. 7th.

LADYHAWKE

Take one stalwart knight who's madly in love with a beautiful medieval courtesan. Add a demonic curse that fates the lovers to be always together, eternally apart. And you have the ingredients for a 15th century legend that comes to home video as an unforgettable magical movie experience.

Ridger Hauer (Blade Runner) and Michelle Pfeiffer (Scarface, Into the Night) play the star crossed lovers. And Tony Award winner Matthew Broderick of WarGames provides the comic relief as the wise-cracking petty thief who helps break the spell.
