

EARL McFADDEN: Former Councilman and Deputy Reeve of South Crosby; past representative for South Crosby on the Cataraqui Conservation Authority board; past Provincial Director and past President of Leeds Federation of Agriculture; past Chairman Eastern Ontario Beef Improvement Association.

For a number of years I have been associated with local and provincial people who are interested in recycling our industrial and household wastes.

Most of this material is plant food, by burning it we pollute the air, by burying it, it leaches into our water table polluting our wells, lakes and rivers. This causes great growth of water

plants which take all the oxygen from the water causing heavy fish kill and undesirable water quality. The Provincial government has money available to conduct studies for better ways to deal with our wastes, both household and industrial.

It is my belief that County Council could be persuaded to go for a pilot project in Leeds County.

If you feel as I do that we have to take better care of our resources; our air, our water, our land, our people, then **I would ask for your support in voting for me as Deputy Reeve in the forthcoming Municipal Election in South Crosby.**

By being elected to this post I can better serve you on County Council to promote better resource management.

I believe this area is one of the most beautiful areas that can be found. I believe this area needs some local industry to supply jobs and bring some hard cash into this region.

We have good schools but we need pupils to keep them full and this can only be accomplished if there is income through jobs for people and they do not have to drive fifty miles or more a day to work.

I would like to thank the people who signed my nomination papers and I would seek the support of those people whose concerns with our physical and financial environment are similar to mine.

If elected to council I will work for a fair and open local government.

I thank you for your support.

PUBLIC SCHOOL SUPPORTERS

DID YOU KNOW.....

...THAT 45% of property taxes in Newboro go to the school board: 56% in Westport: 65% in North Crosby and 65% in Bastard and Burgess?

...THAT the present member for Bastard & Burgess (Mrs. Wing) was recently quoted in the Kingston Whig-Standard, when questioned about salary increases for board trustees, that she had been a lone wolf in publicly advocating salary increases. "We're worth it" she's quoted as saying.

...THAT the extension of separate school funding will cost Ontario taxpayers over eighty million dollars this school year and untold millions in years to come?

HOWARD FRENCH IS RUNNING FOR PUBLIC SCHOOL TRUSTEE BECAUSE HE CARES ABOUT THESE AND OTHER CONCERNS OF IMPORTANCE TO PUBLIC SCHOOL SUPPORTERS. HOWARD FRENCH IS A LIFELONG RESIDENT OF THIS AREA, EDUCATED IN LOCAL SCHOOLS, A GRADUATE OF THE UNIVERSITY OF GUELPH AND OWNER OF HIS OWN BUSINESS. HE CARES DEEPLY ABOUT PRESERVING THE INTEGRITY AND QUALITY OF OUR PUBLIC EDUCATION SYSTEM.

**ON NOVEMBER 12
ELECT
HOWARD FRENCH
PUBLIC SCHOOL TRUSTEE
"HE CARES"**

Sponsored by the Committee to Elect "Howard French"
