

YOU ALL DID IT!
(well, almost all)

Every month the Lantern includes a little hint on how to get your meetings, write-ups and announcements in the paper....usually the same hint - send items to Box 136, Elgin before the Deadline!
We were thrilled this month as everyone (almost) got their material in on time! This being a particularly big issue, (due to some local & provincial happening) made our work so much easier. We managed to get the typesetting done, ads prepared and an idea of how many pages we'd be printing....before lay-out day. SUPER. We patted ourselves on the back. People do read every word in the Lantern, they really do care about our work load, our family time, our mental health. (Living on the line, wondering if we only have 21 pages, thus either looking for filler for 3 pages or trying something different by going with three blank pages - the most common practice is to take out some of your s truly's "words of wisdom" can be nerve-wracking.)
Super November/85...but wait a minute, the phone rang off the hook a week ago last Monday; people knocked on my door the week-end before last. Why? Oh, darn, Now I know why we are so prepared. There were five Tuesdays this month. Everyone thought we went to press a week ago!
Oh well, at least we were ready....perhaps we'll just have to pretend there are five Tuesdays every month....Thanks anyway!
I guess we'll get excited the next time there are five Tuesdays in the month. (that happens in December, but that really doesn't count as we will be going to press early anyway! Christmas and all)

Thank you for the Trust and Confidence you have placed in me as School Trustee for the Townships of Rear of Leeds and Lansdowne and South Crosby.
Your concerns and those of the students of Leeds and Grenville will remain my first priority.
Dorothy Davies.
