

**XI ZETA IOTA**

On March 6, members met at the home of Barb Purdy, who introduced her guest Marjorie Keates from "Jemima's Perennials and Herbs". Marjorie spoke about some of the perennials and herbs that she sells and she had books for us to look at, as well as an herb chart. We also planted daisy and tomato seeds in peat pots. Daffodil posters and letters will be delivered to various businesses in the area. Bunches of daffodils will be sold at the beginning of April for the Canadian Cancer Society. A delicious lunch was served by Marian McLeod and Barb Purdy.
