

**CHILDREN'S FESTIVAL**

Eighty-seven children (ages 5-12) and leaders from the area attended the second annual Children's Festival in Kingston. The children assembled at City Park and paraded to St. George's Cathedral where they participated in a short worship service. Welcomed by Bishop Read and Dean Baker, the children were led in song by Paul Appleby and treated to a dramatization of the "Prodigal Son". Actors for the play were from Sydenham, Seeley's Bay and Elgin. The service co-ordinators were Father Don Bailey & Father Bob Wright. Following a lunch, the children returned to the Park for an afternoon program. Sessions of games, crafts, drama and music and a farewell blessing from Bishop Read concluded the day. Congratulations and thanks should be extended to the leaders and children. The group from this area had the largest number present.

**ST PAUL'S, ELGIN**

St. Paul's Anglican Church, Elgin, had a special Mother's Day tree planting dedication on the church lawn. A Mock Orange from the choir and a white Lilac & Spirea from Colleen & Charlie Pritchard were planted. Each mother present received a carnation.
