

LEEDS & GRENVILLE COUNTY SCHOOL BOARD NEWS.

Feb 27/84.. The resignation of Mr. Ben Halladay, Custodian of South Crosby Public School was accepted. Mr. George Jackson has been named as his replacement.

Mr. Gary Kenney has been appointed as custodian at Rideau District High School to fill the position vacated by Mr. G. Jackson.

The Board granted permission to the South Crosby Township council request to use the Rideau District High School &/or the South Crosby Public School in the event of an emergency. Similar arrangements have been made with other municipalities across the jurisdiction.

Flexible Hours...The Central Office & the school offices where applicable, will be operating on flexible hours during the months of July & August. The Administration Building will be closed on the eight Fridays during the period of June 3 and Aug. 24. The staff will be required to make good the 56 working hours in the eight Fridays.

Public Relations Committee... In 1981 the Board established an editorial board. It was charged with carrying out the Board's aim of establishing and maintaining clear and open channels of communication among all groups concerned with education in the counties. The name Editorial Board does not accurately reflect the role of the committee as it has evolved. The name has been changed to Public Relations Committee.
