Mrs. Shirley Wilson gave a most interesting talk on New Brunswick, our twin Province for this term. She had lived there herself for a number of years. She had papers, leaflets and a map which she used to point out places of interest. Mrs. Wilson gave her presentation in such an interesting and pleasant way that we all felt that we were actually in New Brunswick on holiday. She told us that the Violet is the national flower and was named by W.I. members. New Brunswick was founded in 1602 by Champlain, who thought he had found China. The Province has the most covered bridges (including the longest) in the world.

A gift was presented to Shirley by Clara in appreciation of her most informative talk.

Several members read small papers about New Brunswick and the places of interest.

The singing of the Royal Anthem concluded this portion of the meeting.

A contest was held with Vieta Bolton being the winner.

Theresa George had the marked tea cup.

A delicious lunch was served by conveners Clara Hallett & Mavis Bowers.

Next meeting is Dec. 9 and will be the Christmas meeting. More information will be distributed to members re this meeting at a later date.

A note of thanks was extended to those who helped make this a most enjoyable & interesting meeting.

Keep your kids in their place.

It's always been a good idea. Now it's the law.

On Nov. 1, 1983 toddlers come under the law which requires everyone from newborns to senior citizens to be properly restrained when travelling in a car.

For children this means:

- Infants, up to 9 kilograms (20 pounds) must be properly secured in a rear-facing car seat;
- Toddlers, 9-18 kilograms (20 to 40 pounds), must be in a front-facing car seat in their parents' or guardian's car; otherwise they must be secured by a lap belt;
- Preschoolers, 18-23 kilograms (40 to 50 pounds), must be secured by a lap belt.
- Older children must use the full seat belt assembly.

Buckle them in.
