

## LIBRARY PROGRAMMES WELL RECEIVED

Students from grades 6,7&8 from Sweets Corners Public School, South Crosby Public and Portland Public attended the library sponsored programme "Lyons Dance Troupe" held at the Sweets Corners School. The students saw and heard the history of the Objibway Indians as presented by Richard Lyons, his wife, and son, Brian and Jean-Pierre, a dancer. In colourful native dress, Richard explained the Indian Staff (native flag) and asked all to rise while Brian played the drum and sang their National Anthem. Richard explained the relationship that his people have with nature and how their dances are often imitative of animals and bird movements. He was joined in dances by his wife and Jean-Pierre and showed how the dances related to their lives, in hunting, tracking and fighting. Richard stated that other than courtship dances, the woman dances on one spot while the man moves all around. This is to show the strength of the woman as the centre of the home and family.

This informative and spectacular show should help our young people gain a truer perspective of our native people.

Elgin School hosted the appearance of Jan Rubes and Margaret Zeidman in World of Music for Children. Jan guided the children through the various steps needed to produce music - from the first (fictional) use of voice, breathing, beat and pitch. He and Margaret illustrated each step with a multitude of short songs in 5 languages. They encouraged and received much audience participation. Jan intrigued the adults and children alike with his Victor Borge-like rendition of Gransel & Hetel (Spoonerism). Through-out this fascinating performance, Jan and Margaret played piano, harp and guitar with a variety of percussion instruments occasionally played by the children. The whole audience responded to this funny, warm and talented gentleman. Only one complaint was heard.. "I wish they could go on longer".

Mr. Rubes and Ms Zeidman commented that this audience was one of the best that they had performed for, in behavior,

participation and warmth. Grades Kindergarten to 5 from Portland and Elgin schools attended this show.

These programmes are brought into the area under the co-operation of The Rideau Lakes Union Library Board and Eastern Ontario Library System. Schools from Delta, Elgin, Portland and Sweets Corners are invited to participate for a minimal charge. Arrangements for the bookings are made through Mrs. Pat Little and the schools are selected to host programmes depending on the space requirements. All schools are invited with information being sent out in advance to all principals. The schools arrange their own transportation to the host school. Rideau Lakes Union Library Board is pleased to be able to offer this type of programme as it allows the local children to have some exposure to the many fine cultural offerings normally available to city children. Three programmes have been presented to date and the following two will take place during the vacation period. PARENTS PLEASE NOTE the programmes are free of charge, performed by professionals in their fields...Bring your children along and let them experience something a little different.

**CUSTOM-MADE FOR  
YOUR EAR...AND  
YOURS ALONE...THE

Sherry Cooper, Laurie Corcoran,  
Peter Dunlop, Suzanne Green,  
Allan Henderson, Linda Hughson,  
Terri Liss, William Marquis, Tina  
Moroughan, Dawn Mustard, Brent  
Neff, Sherry Patterson, Cindy  
Perrin, Amanda Pyne, Michelle  
Rasmussen, Chris Slack, Maureen  
Sly, David Smith, Amy Stanton,  
Kevin Stedman and Shelley  
Summers.

On the night before the graduation, the grade seven class prepared and served a delicious banquet to the graduating class and their parents.

## WINDOW SHOPPING?

**"Custom Line"  
Double Hung Tilt Window**  
• "tilt-in" convenience for easy cleaning  
• positive balance system for feather-light operation

**"Econo-guard"  
Slider Window**  
• picture window beauty with insulating glass convenience  
• removable glass sections for easy cleaning

**"Custom Line"  
Side Slider Window**  
• vinyl-cladding never needs paint  
• virtually eliminates window icing and condensation

Look into Dashwood made-to-measure replacement windows to see how you can "do-it-yourself" and count on the quality for professional results in home renovations.

Dashwood has a complete range of energy-saving replacement windows, custom built to your specifications. Choose from double hung, side sliders and picture windows by Dashwood, for easy maintenance and lasting good looks.

Dashwood Custom Line replacement windows feature reinforced rigid vinyl extrusion frames, insulating glass and double weatherstripping for a positive seal against water, dust, drafts and heat loss.

See the complete line of replacement window models and styles designed to suit your home at your nearby Dashwood authorized "Building Supply Dealer".
