

To make a litter bag for your family car or truck: Color and cut out these (or other appropriate) pictures. Glue them to a small paper bag. Line it to make it stronger by putting a plastic bag inside. Braid some yarn or use ribbon. Staple to the bag for a hanger and place in your vehicle on a knob for the front seat or perhaps to hang over the head rest for the back.

EASTER HOLY WEEK

For the world's Christians, Holy Week is the most solemn week of the year. Beginning on Palm Sunday, the events of the last week in the Lord's earthly ministry are reenacted in the drama of liturgical worship. On Palm Sunday, palm branches are blessed and distributed to the congregation and worship begins with the triumphant shout "Blessed is he who comes in the name of the Lord, Hosanna in the highest."

Holy Monday and Holy Tuesday are marked by the services of Tenebrae. Tenebrae is a Latin word that means shadows. As the shadows of Holy Week lengthen the psalms and prophecies of our Lord's passion are read. Holy Wednesday is traditionally marked by the Stations of the Cross. This is a meditation based on fourteen events from the arrest of Jesus to his being placed in the tomb. By Holy Thursday or Maundy Thursday we have reached the heart of Holy Week. Maundy Thursday is both a great celebration and a solemn event in the life of the Church. On this day Christ gave his special gift of the Eucharist. It is also the day that Jesus agonized in Gethsemane and was arrested. The Eucharist is celebrated on Maundy and then the altar is stripped of all vestments and ornaments, the lights are extinguished, and the faithful remain in prayer before leaving silently. The Church is now in mourning, the sacraments are not celebrated on Good Friday. On this day, the day of Christ's death the service is a solemn remembering of the importance of the symbol of the cross.

On Holy Saturday Christian mourning is turned to expectation. It is the evening before the greatest event in human history. On this evening the Church gathers for the Great Vigil of Easter. In the most dramatic and moving of worship the darkened church is lighted first of all by a single candle, the Paschal Candle, and gradually the whole congregation light their candles from the one source of light. Symbolic that there is only one source of light and life. The Vigil continues with the baptism of converts and the renewal of baptismal vows. In the Eucharist that follows the congregation travels with Mary to the tomb of Christ and rediscovers that He is alive and among us.

This year the Anglican Parish of Leeds-Rear is very pleased to announce that Bishop Henry Hill, former Bishop of Ontario, will be with us to lead a parish study on Holy Tuesday and Wednesday, April 14 and 15. Bishop Hill is co-chairman of the Anglican-Orthodox Joint Doctrinal Commission and a world renowned leader in the ecumenical movement. He is also widely known as a retreat leader and teacher of Christian Spirituality. St. Luke's Lyndhurst is also hosting an ecumenical service on Palm Sunday at 7:30 p.m. An opportunity for the larger Christian Community to gather in worship in preparation for Easter.
