Council Notes

TOWNSHIP REAR OF LEEDS & LANSDOWNE

The Third regular meeting of Council was held on February 6, 1978 in Council Chambers at the Township Building.

Council authorized the posting of load limit signs on the following bridges: Carding Mill Bridge - 10 tons, Latimer Bridge 12 tons, Berryton Bridge - 12 tons. An appraisal of these bridges has been carried out by a firm of Consultants, and the recommendations for improvement forwarded to the Ministry of Transportation and Communications for their approval.

Final applications for road subsidy were authorized, and the Clerk was authorized to submit the proposed Road Budget for 1978 to the Ministry.

Application has been made for a summer program under the Opportunity For Youth Program of the Federal Government. If this grant is approved, students will be hired through the Gananoque Manpower Office from those registered there.

The next meeting of Council will be at 1:00 p.m. on Monday, March 6, 1978.

Seeleys Bay Senior Citizens

JOIN IN

Just a reminder that the Seeleys Bay Senior Citizens Club is still alive and a going concern-just marking time while winter weather is still with us. We've done little since Christmas due to rough snow conditions.

We're all still remembering the excellent Christmas dinner we all enjoyed at Nixon's Restaurant. Mrs. Nixon sure is a good cook and organizer.

We meet regularly twice a month. The first meeting, on the 2nd Friday, is a "Drop-In", just for pleasure-visiting, cards, etc.. The second meeting, on the 4th Friday of the month, is business followed by a social time.

During the summer we enjoy picnics on our "Drop-In" days. From now until summer weather we can enjoy Pot Luck lunches at noon on those days-indoor picnics! One of these will be held at noon on March 10-every lady should bring one dish.

We welcome all seniors in the area to our meetings. Come along and bring a neighbour.

Renovations to the basement of the Legion Hall are progressing well. Come and hear all about what's going on down below. Hope to see you all on Mar. 10.

SEELEYS BAY FORUM GROUP MEETS
