Many thanks to the following who gave their time so willingly: Doris Summers, Lila Welch, Greg Carbino, Dick Raison, Rev. H. Seeley, Thelma Mustard, Johnna Hill and Scott Becksted.

209 bowlers took advantage of the event and \$467.00 was raised. The high triple winners are as follows: Abigail Connell, Gary Berryere, Johnna Hill, David Thompson, Thelma Mustard, Merv Gard,

A special vote of thanks must be extended to Phyllis McGhie for her very large part in the operation and success of this annual event.

Thursday evening, May 4th at 8:00 p.m. is the date and time for the 1978 Spring Concert at Rideau District High School. This year three areas of the Arts program will be represented: Drama, Music and Gymnastics.

In the field of drama, Mr. Darrell Nunn will present a short but dramatic play called "Anastasia". The lead parts in this play are performed by Shelly Thompson and Karen Hogan.

The gymnastics team, consisting of Kendra Gray, Tracey Mallette, Paula Nichols, Nancy Rhymer and coached by Mr. & Mrs. Kennedy will perform various routines on the floor, bars and beam. These young people should be congratulated on their fine performance this year.

The musical portion of the program will include selections by the Rideau Band, Brian Pedherney, Julia Sheffield, Anne Glover and our special guests South Crosby Public School Ensemble.

The band is in the midst of a very active spring program including an exchange with Campbellford D.H.S. and a trip to Ottawa where we will play at Smith's Falls Collegiate, A.Y. Jackson S.S. and Laurentian S.S. We are also pleased to announce that the Band will be wearing their new uniforms, made possible through previous generosity of many people in the communities around Rideau.

Come out and support our various groups.

ELGIN MINOR SOFTBALL

We are planning to have a Minor Softball League similar to last year. The league will run the months of May and June, two evenings a week from 7:00 to 8:30. The league is open to anyone in the North Leeds area from age 6-16, both boys and girls.

Last year we had Senior and Junior Girls' teams, and Senior, Intermediate and Junior boys' teams. There were approximately 140 players and 10 coaches involved from Elgin, Morton, Crosby, Portland, Delta and Phillippsville. We operated 5 diamonds at once on the playground at South Crosby School.

The emphases in the program are on learning to play softball, improving skills, safety and simply enjoying the game. There is no entry fee as we are supported by the South Crosby Recreation Committee. Transportation usually can be arranged in car pools from other areas to Elgin. If you have not received an application form from South Crosby School, please contact Ross Hawkins at 359-5833.
