HOBBY NIGHT
MONDAY MAY 8 1978
4:00 - 9:00 P.M.
SWEET'S CORNERS ELEMENTARY S.
R.R.2, LYNDHURST, ONT.

"HOBBY: Something a person especially likes to work at or study apart from his main business; any favorite pastime, topic of conversation, etc., (e.g. Growing roses is her hobby)"

The students, staff and residents of the Sweet's Corners community invite all interested persons to take part in our HOBBY NIGHT. The establishment of relaxing and interesting hobbies has become more and more important with the increasing amount of recreational and leisure time available to our society. Hopefully, every student and teacher and many residents of the community will be able to contribute to the display of our favorite pastimes. Even primary children will be encouraged to develop a collection or interest that they can personally exhibit and share with us on Hobby Night. Classroom teachers will be discussing this school-wide project with the children. Parents can assist their children in organizing and developing their personal interests for sharing with others. We encourage as many parents as possible to join in the displays. The more widespread and varied the participation, the more enriching the learning experience will be for all. Student hobbies will largely be arranged at their desks in the class areas. Additional display space will be available in the gym, halls, offices, etc. No hobby is too big or too small.

New Dog Catcher

For Rear of Leeds and Lansdowne

The Township of the Rear of Leeds and Lansdowne has hired Mr. Allan Gard as dogcatcher and licencing officer. He will not be on patrol, but will respond to resident's complaints.

Dogs which are running loose will be impounded. Such dogs may be claimed by the owner for a charge of \$12.

All dogs in the township must be licenced.

The township provides compensation to farmers for livestock ascertained damaged by wild dogs.
