

Sweets Corners School Committee

NOTES

The School Committee at Sweet's Corners held a lively meeting last month.

\* Guests at the meeting were Pen Baxter and Lyle MacLennan of the Board of Education. Mr. Baxter gave an address explaining the Criteria Reference Tests used to measure students' academic level in this County. His talk was followed by a discussion period, during which the two guests answered many questions.

\* Money has been designated by the Board of Education for improvement of the School facility. Mr. Eyre, Principal, outlined how the money will be used. Priority is to be given to improvements having a direct effect on pupils and their education.

\* The School Committee passed a motion that the Past-Chairman be made an ex-officio member of the executive for the following term of office. It is hoped that this move will give the School Committee a sense of continuity and avoid duplication of work from year to year.

\* Mr. Eyre distributed a report by the Morale Committee on the Awards System. This proposal to establish awards recognizing student merit has been under discussion since November '77.

\* Mr. Hans Koopman was elected as alternate Executive member for Fred Carpenter, who will be unable to complete his full term.

\* Plans are underway for a "Family Night" at the school with C. Nielson, P. Lamont, and E. Scheitrowsky taking charge of arrangements. An evening of fun is planned and the School Committee hopes to raise funds.

\* The next General Meeting of the Committee is to be held May 3rd. Dr. Lloyd Dennis, Director of Education, will speak on "The Parent's Role in Education". All are welcome.

\* The date of the last General Meeting has been set for Jun. 7. This is an important meeting as the Executive for the 1978-79 school year will be elected. Nominations close May 3rd, '78.
