

## EDITORIAL PAGE.

Dear Readers,  
OF PAST, PRESENT & FUTURE

The past is prominent in the Lantern, beginning with the column, "I Remember". We've heartily enjoyed the articles submitted, and hope that you will too. We need many more to keep this series going tough, so please keep 'em coming. And don't worry if your article is not historically accurate, we all enjoy a good story!

At the present, it's Municipal Election time. In the year 2000 we may be calling for "I Remember 1978". Whether it will be worth writing about depends on the quality of life we make for ourselves now. If you have something to offer, consider running for office this year. Nomination week is Oct. 16-23.

New in the Lantern this month is a column on RDHS. Our newest correspondent, Myrna Baxter, will be gathering information for this feature. Please submit articles to her, and help make this venture worthwhile.

For the future? We at the Lantern would like to run a series focusing on each community. We'd like to start with Newboro, followed by Philipville. We appeal to these two communities to send in articles, stories, histories of Churches or businesses, pictures, or whatever! Let us know if you want the material returned, and we'll gladly comply.

Another message for the future is - HELP! We still need a great deal of help with the Lantern. Another 10-15 volunteers are required. Tonight we are struggling to compose the paper with 6 people, not nearly enough! Contact any correspondent and we'll get you started. No special skills are required. Thank you!

### DEADLINE

All material and advertisements should be submitted by the Friday preceding the fourth Tuesday of the month.

NORTH CROSBY TO WORK FOR

### Recreation Centre

Members of the North Crosby Township Council have approved the application for a grant from the Ministry of Culture, Recreation and Community Centres to purchase land for the construction of a community Recreation Centre for Township residents. The facility would include a recreation hall, baseball field and picnic area. Application has also been made for a Wintario grant.

The idea for such a centre has been in the works for some time and in June a Walkathon brought in \$1,000.00 for the Centre fund.

Chairman of the Recreation Committee is Dr. Wendal McEwen.
