

## Westport Whatnots

### Foley Mountain

The interpretive centre at the Foley Mountain Conservation Centre, Westport, will be open to the public from 10 a.m. to 5 p.m. every Saturday, Sunday and holiday Monday during July and August. There will be conservation displays, films at 1:30 and 3:30 and various free conservation pamphlets. A resource person will be on hand to answer questions.

From July 22nd to August 6th the displays and films will be concerned with energy conservation. Included in our display will be a model of a solar home, a methane generator and a solar air heater.

Also, every Wednesday morning, from 10 a.m. until noon, there will be a guided nature hike starting at the Spy Rock parking lot.

Or just come for the fresh air - a swim at the beach, or a hike along one of our five nature trails, one of them with a self-guiding booklet. Or bring the family and have a barbeque.

## HOCKEY APPEAL

The North Leeds Minor Hockey Association plans to operate an in-house as well as an all-star program for the North Leeds area now that the Westport arena is once again in operation. It is also hoped that a ringette program will be available for the girls. Final registration will take place in early September. In the meantime, we are seeking the support and assistance of businessmen and interested parties in outfitting the various teams with sweaters. If you are interested in helping in this way would you please contact either Stirling Patterson of Forfar, 272-2918, or Bob Scott of Westport 273-3166 or 273-2825 as soon as possible. Thank you.

#### RIDEAU LAKES GOLF CLUB

The Men's and Ladies' Club Championships are under way and even though the course hasn't had much rain lately it's been kept in good shape.

The Ladies' Closing Dinner will be held at the Post & Beam in Newboro on the 31st of August, when prizes will be awarded.

The Closing Mixed Two Ball will be happening September 10th and we're counting on all members to take part in this traditional event to celebrate another excellent golf season.
