The supper was deliciously prepared and we wish to thank those involved with preparing the dinners for Carveth.

Rideau Review

Book reviews by Pat Little

This month a selection of recent paperbacks is reviewed. Come in and browse through the many new additions in all branches.

The Promise by Danielle Steel - a love story with a difference - relaxing - a pleasant read.

Noble Madness by Maye Preston Hill - legends of the Micmacs mixed with thoroughbred racing in a Canadian setting. An interesting and well-told tale.

The Dain Curse by Dashiell Hammett - horror and suspense make this novel hard to put down - not for the nervous.

The Cheap Detective by Robert Grossbach - adapted from Neil Simon's screenplay of the same name - murder and laughter go hand in hand. If you can't get to see the movie, read the book and laugh almost as hard.

The Big Footprints by Hammond Innes - the master of adventure thrills again with this novel set in Africa. Big game hunting and intrigue with a great cast of characters make this one tops.

Holocaust by Gerald Green - seen recently on NBC, this novel brings to life the horror of the Nazi extermination camps of World War II. It shows the dignity and courage of those who survived and offers hope for the future.

Prior to the June meeting, Rideau Lakes Union Library Board visited Seeleys Bay Branch to view the newly installed carpeting and shelving units. Mrs. Freda Moulton, Librarian, was on hand to greet the trustees. After the tour, the meeting was held at the United Church Hall.

Mr. Gregg Courneyea inquired about accident insurance for Library Trustees and Volunteers while attending Library business. After discussion, it was decided that each would be responsible for his or her own insurance and that the Board could not assume such responsibility.

A motion by June Greenhorn was carried that a rubber stamp should be made of the Union Library logo, to be used for Library and Board correspondence.

Ms. Greenhorn issued notices advertising Union Library to the Trustees. These are to be posted in local stores, marinas, parks, etc.

Mrs. Diane Haskins, Chairperson, reported that an application for a \$3,000 matching Wintario Grant for Library equipment has been submitted. Mrs. Haskins also reported that Kathy Lyle, Karen Hubel, Angela Gunnewiek and Kevin Young begin work on the Young Canada Works program on June 26. Commencing July 3, these students will be working 9 a.m. - 12 noon at the Branch libraries as follows: Monday - Newboro, Tuesday - Delta, Wednesday - Seeleys Bay, Thursday - Lyndhurst, Friday - Portland. They will work at Elgin Branch during afternoons. (See Summer Grants article, this issue)

Before the meeting was adjourned, Murray Seaman suggested that the Board have a casual get-together for Trustees, Library staff, Friends of Library, husbands and wives. The pot-luck evening will be held August 16 at the Warren residence, Chaffey's Locks.

Next Board meeting is Aug. 24 at Newboro Branch.

Rideau Lakes Union Library Logo WHERE DID IT COME FROM?

In April, 1975, the Library Board held a Logo Contest for all elementary school students in the area. The winner was Marjorie Babcock, a Grade 8 student at St. Edward's School in Westport.

Her design depicts the ever-green trees found in the area, surrounded by the outline of a lake. An open book across the front completes the design. The Logo is dark green on a light blue background.
