

RIDEAU - DAWSON CREEK

This Federally-funded exchange took place between the dates of May 20th. and June 6th. The 80 students who participated in the exchange thoroughly enjoyed themselves, courtesy of their hosts' hospitality.

The days spent in Dawson Creek were filled with educational trips to neighbouring farms, historical sites and the famous Bennett Dam. Other enjoyable hours were spent on boatrides on the mighty Peace River, camping in the scenic mountains and being entertained by our billets and host families. Our hosts contributed to our amusement by planning dances, a pot luck supper and a banquet.

Numerous hours were spent touring Gastown, Chinatown and Stanley Park in Vancouver after leaving Dawson Creek. A relaxing evening was spent in Vancouver on one of the sandy beaches of the Pacific Ocean. Come night-fall we trudged reluctantly back to the youth hostel.

In Ontario, it was back to school for the Rideau students and fun-filled days of touring for the students from Dawson Creek. Some of these trips included a visit to Upper Canada Village, Iroquois Lock, Hill Island, touring and sailing in Kingston, sightseeing and watching a baseball game in Montreal. Extra time was spent shopping, roller skating and dancing at Thirteen Acres, having fun at the beach in Westport and spending time with host families.

Much to our hearts' distress we said our good-byes to our friends from across the country after a day of sight-seeing at our nation's capital. Our heartfelt thanks are sent to all those persons who made this trip possible. We hope other students in future years will have the chance to participate in other exchanges such as the one we went on.

DINING ROOM

Full Course Meals  
7:30 a.m. to 7:30 p.m.  
Sandwiches  
7:30 a.m. to 9:00 p.m.

**Fall Program  
4-H Homemaking Club**

This fall exciting things are happening in the 4-H Homemaking Club program. They include a brand new project... Needlepoint; new project manuals which are fill-in-the-blank type of books; and shorter Achievement Days, either evening or half day programs. 4-H enrollment across Ontario is decreasing. If you are interested in starting a new club, all you need is one or two leaders willing to attend our two day workshop and four members willing to take the project. We teach you all the information you need to know as well as some help in teaching aids. Be sure to call Carol Kellam at 342-2124 if you have any questions. The leaders' workshop in Leeds is scheduled for Thursday & Friday, September 7 & 8, 1978, at the Athens United Church, Athens. There will be a leaders' luncheon provided by the Ministry of Agriculture and Food on the first day of the workshop.
