NORTH LEEDS DIRECTORY

We would like to commend to you a fine piece of work just recently completed for our area. The North Leeds Directory compiles an up to date list of all Businesses, Services, Committees, etc. in the North Leeds area. There are approximately 500 copies in print. You can see one at most of the businesses in the area, or you can borrow one from any branch of the Rideau Lakes Library.

In January of this year, funded by a Canada Works Grant and sponsored by the Rideau Lakes Library Board, this project began to take form. Under the direction of Dorothy Davies of Seeley's Bay, the small but ambitious staff began the enormous task of compiling all the information. It has just been completed now. We have had a chance to peruse the Directory and have found it to be quite enlightening. There is an enormous amount of information in it.

The next time you are in need of some service in this area, look to the Directory. I am sure you will be impressed.

CONGRATULATIONS! To all the students graduating from area schools and we wish you the best of luck in your future endeavours.
