LYNDHURST U.C.W.

The January meeting was held at the home of our President, Mrs. Ruth Galway, with thirteen ladies in attendance.

Ruth opened the meeting by welcoming everyone. Mrs. Marion Warren was in charge of the Devotional "Faith in Action" and led the prayer, followed by Hymn 263 and the scripture reading John 3: 16-18. Hymn 330 "Love Divine" was sung, followed by prayer. The offering was then received and dedicated. The minutes were read by Betty Moorhead and approved, then Alma Kelsey read the Treasurer's report.

Eleven ladies paid their dues and paid into the flower fund. Several thank you notes were read and the business portion attended to. It was decided to hold the tea and bazaar at the usual time this year, the second Saturday in November. Mrs. Mary Townsend read a poem, "Stewardship in Caring", followed by a Stewardship report. It was then moved by Mary Townsend and seconded by Marion Warren to adjourn the meeting, and this was followed by the benediction.

A lovely lunch was served by Iva Sweet and Helen Moorhead. Mrs. Flora Slack gave a vote of thanks on behalf of the U.C.W. to Ruth for opening her home and to all the ladies who took part in the meeting.

Recording Secretary,

Betty Moorhead.

JUST FOR TODAY I will exercise my soul in three ways: I will do somebody a good turn, and not get found out; if anybody knows of it it will not count. I will do at least two things I don't want to do - just for exercise. I will not show anyone that my feelings are hurt; they may be hurt, but today I will not show it.

HOMEMAKERS HARD AT WORK IN NORTH LEEDS

Mrs. Jennie Updegrove and Mrs. Verna Cardinal have recently been hired through a Canada Works Grant to work as Homemakers in this area. These women are providing in-home services for senior citizens in our community. Sometimes they assist by doing the heavier housework, other times they prepare nourishing meals, and provide lively conversation.

But senior citizens aren't the only people who can receive this service. Persons recently home from hospital, mothers with young children who are ill or disabled persons might also benefit from the help that a homemaker can provide.

The work of the Homemakers is supervised by our VON nurse, Shirley Green. Mrs. Green also does the initial assessment of the clients and determines if they are eligible for the service.

If you know of anyone who might benefit from this service, please contact Shirley Green at 359-5479.

QUESTION - My policy shows that my car is covered for comprehensive. Does this include fire and theft?

ANSWER - Comprehensive covers any damage to your vehicle caused by anything but wear and tear, or collision. Hence it includes glass breakage, vandalism, theft, fire, wind damage or damage from a falling object such as a tree limb or ice, and hail damage. Recently, comprehensive has been extended to include collision with wildlife or dogs, even though, strictly speaking, this is collision. However, this extension does not apply to impact with a cow or horse.

Insurance is becoming a complicated field and therefore you need a knowledgeable agent who cares. Our aim is to serve you. If you have any question about your coverages, please do not hesitate to call. We provide any type of insurance, including life, pension, disability, home, snowmobile.
