

EDITORIAL PAGE.

Dear Readers,

We're still alive and kicking at the "Lantern" and we're still looking for more volunteers to help us keep our newsletter going. We still need correspondents particularly in the Lyndhurst and Portland areas, and a volunteer, from any area, with some artistic ability, would be a great asset to the team.

In this issue, you will be reading some comments on the telephone service provided to most of the area served by the Lantern. This is the sort of issue we are anxious to discuss in our newsletter, as it is a concern of the entire community. If you have a similar concern, which you feel is shared by our readers, we would be happy to air it in the Lantern.

We would like to extend an invitation to any of the local Township Councils to make use of the Lantern in publicizing their affairs, as we feel that these are the affairs of the community.

Last, but not least, contributions and ads are still gratefully accepted at Box 89, Westport or by any of the correspondents listed on this page.

We need your support.
