South Crosby 2:00 p.m.

The public is cordially invited
to attend these programs, which
are offered through the co-operation
of Eastern Ontario Library System.

SERVICES AVAILABLE TO YOU

Our film service is gaining
popularity and as we show more
films we hope the public will
take advantage of this excellent
program which is offered to us
through Eastern Ontario Library
System and Ottawa Public Library.
A large selection of 8mm and 16mm
films are available to individuals
and groups at a very low cost.
We have a 16mm projector and screen
available at a small rental fee,
and hope to have an 8mm machine
in the near future. A novel
addition to a child's birthday
party would be to screen a film.
To make a selection, ask your
librarian for the film catalogue.
Make sure you book well in advance.
Films are delivered to the nearest
Bus stop and are returned the day
following showing, by the same
method. The cost to you is....
a membership card in the Rideau
Lakes Union Library, a small rental
fee for the film (15 min. film-
50¢, 91 min. film \$2.00) and the
return cost to Ottawa, usually
around \$2.50. Feature films,
cartoons and documentaries are all
available. The only stipulations

regarding the film service are: they
may not be used as fund raising
events (no admission may be charged)
and the films must be returned on
the given date.

For additional information,
contact your Branch Librarian or
Mrs. Pat Little, Co-ordinator of
services.

RIDEAU READING

The following titles, and many
more have been added to our shelves
in the last few weeks:

ROOTS Alex Haley--good reading
with a different perspective
than the T.V. series.

VOYAGE Sterling Hayden-- an epic
novel, rich in historical
detail of the late 19th
century, using the shipping
industry as a microcosm for
one of the most turbulent
periods of American history.

FOUNDER'S PRAISE Joanne Greenberg
an excellent addition to her
collection of novels. A
saga of an American family
in the true Greenberg style.

RETURN TO THEBES Allen Drury--a
recreation of the fabulous
court and society of Egypt
3300 years ago. A must for
those who enjoyed "A God
Against the Gods".

OLIVER'S STORY Erich Segal--for
"Love Story" fans, Segal
continues the story after
Jenny's death.

FOR BIOGRAPHY BUFFS

TOLLER Toller Cranston

CHANGING Liv Ullman

LONG LIVE THE KING Lyn Tornabene
the life of Clark Gable.

And a large selection of paper-
backs for the juniors: Star Trek,
Mad, Happy Days etc. have been
added to our collection.

We are at present accumulating a
large and definitive collection
of Canadian material, both fiction
and non-fiction, some of which will
be reviewed in the next column.
We hope to have special gardening
displays in each of the branches
for the month of May.

HELP HELP HELP

We are proud of the volunteer pro-
