 grams which help run our libraries,
 and would like to encourage any
 and all interested people to get
 involved. Help is needed in the
 Elgin, Delta and Lyndhurst areas
 to assist in various aspects of the
 Library. The work is not difficult
 and can be most enjoyable. It
 could involve helping shelve books,
 assist during school visits, filing
 or labelling books for distribution.
 If you have a few hours a week or
 a month to spare and would enjoy
 this work, please leave your name
 with your librarian, and we will
 contact you.

 able from Cathy Veitch 359-5617,

 Baker 272-2650. Tickets, which

 dinner. Come help us wind up
 a terrific season.

The Rideau Ridge Riders Snow-
 mobile Club would like to remind
 all snowmobilers to put the gates
 back up and repair any fences that
 may have been damaged by them this
 past season. It is now the time of
 year for farmers to put stock in
 their pastures. The last thing on
 our minds right now is snowmobiling
 but come next fall we will once
 again want the privilege of using
 the trails. If we have not been
 thoughtful enough to put fences
 back in order, we cannot expect
 permission from the landowners to
 cross their properties another
 season.

THE ART OF GETTING ALONG

Sooner or later a man learns that he who loses his temper, usually loses.

He learns that carrying a chip on his shoulder is the quickest way to get into a fight.

He learns that buck-passing acts as a boomerang.

That carrying tales of gossip about others is the easiest way to become unpopular.

He learns that the world will not end when he fails or makes an error, that there is always another chance.
